PART 1

SUMMARY AND EXPLANATION

SUMMARY AND EXPLANATION

1. THE COUNCIL'S CONSTITUTION

- 1.1 Fenland District Council has agreed to a new Constitution which sets out how the Council operates, how decisions are made and the procedures that are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by law, while others are a matter for the Council to choose.
- 1.2 The Constitution is divided into 16 articles which set out the basic rules governing the Council business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

Article 1 of the Constitution commits the Council to provide clear leadership in the community in partnership with citizens, business and other organisations; to take decisions effectively, to hold decision-makers to public account, and to improve the delivery of services to the community. Articles 2 – 16 explain the rights of citizens and how the key parts of the Council operate. These are: -

- Members of the Council (Article 2);
- Citizens and the Council (Article 3);
- The Council Meeting (Article 4);
- Chairing the Council (Article 5);
- Overview and Scrutiny decisions (Article 6);
- The Cabinet (Article 7);
- Regulatory and other committees and panels (Article 8);
- The Conduct Committee (Article 9)¹;
- Area committees (Article 10);
- Joint arrangements (Article 11);
- Officers (Article 12);
- Decision making (Article 13);
- Finance, contracts and legal matters (Article 14);
- Review and revision of the Constitution (Article 15); and
- Suspension, interpretation and publication of the Constitution (Article 16).

2. HOW THE COUNCIL OPERATES

- 2.1 The Council comprises 43² councillors all elected every four years. Councillors are democratically accountable to the

¹ Amendment approved 26th July 2012

² Amendment made May 2023

residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

- 2.2 Councillors have to agree to a code of conduct to ensure high standards in the way they undertake their duties. The Conduct³ Committee trains and advises them on the code of conduct.
- 2.3 All Councillors meet together as the Council and meetings are normally open to the public⁴. Here Councillors decide the Council's overall policies and set the budget (which includes the annual revenue budget and capital programme) each year. The Council also approves the Policy Framework which comprises a series of major plans. The Cabinet has to work within the Budget and the Policy Framework approved by the Council. The Council can approve (or reject) any proposals from Cabinet for action which is outside the Budget or the Policy Framework.

3. HOW DECISIONS ARE MADE

- 3.1 The Cabinet is the part of the Council that is responsible for most day to day decisions. The Cabinet is made up of the Leader of the Council appointed by the Council, usually for a four year term, and up to nine Councillors appointed by the Leader to form the Cabinet. When major decisions are to be discussed or made, these are published in the Cabinet's forward plan as far as they can be anticipated. If these major decisions are to be discussed with Council officers at a meeting of the Cabinet, this will generally be open for members of the public to attend except where personal or confidential matters are being discussed. The Cabinet has to make decisions that are in line with the Council's overall policies and budget. If it wishes to make a decision that is outside the budget or policy framework, this must be to the Council as a whole to decide.⁵

4. OVERVIEW AND SCRUTINY

- 4.1 The Overview and Scrutiny Panels support the work of the Cabinet and Council as a whole. The Panels allows citizens to have a greater say in Council matters by holding enquiries into matters of local concern. Reports and recommendations are prepared by the Panels that advise the Cabinet and Council as a whole on its policies, budget and service delivery. The Panels also monitor the decisions of the Cabinet. They can "call in" a decision that has been made by the Cabinet but not yet implemented. This enables the Panels to consider if the decision is appropriate. They may recommend that the Cabinet

⁵ Amendment approved 16th December 2010

reconsider the decision. They may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.⁶

5. THE COUNCIL'S STAFF

5.1 The Council has people working for it (called "officers") to give advice, implement decisions and manage the day to day delivery of services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A protocol governs the relationships between officers and Councillors.

6. CITIZENS' RIGHTS

6.1 Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, while others depend on the Council's own processes. The local Citizens' Advice Bureau or a solicitor can advise on individuals' legal rights.

6.2 Where members of the public use specific Council services they have additional rights. These are not covered in this Constitution.

6.3 Citizens have a right to: -

- vote at local elections if they are registered;
- contact their local Councillor(s) about any matters of concern to them;
- obtain a copy of the Constitution;
- attend meetings of the Council and its Cabinet, committees and panels⁷ except where, for example, personal or confidential matters are being discussed;
- petition to request a referendum for a mayoral form of executive;

- find out from the Cabinet's forward plan what major matters are to be discussed by the Cabinet or decided by members of the Cabinet or officers and when;

- complain to the Conduct Committee¹¹ if they have evidence which they think that a Councillor has not followed the Council's code of conduct; and
- inspect the Council's accounts (when they are on deposit) and make their views known to the external auditor¹².

PART 3

RESPONSIBILITY FOR FUNCTIONS

RESPONSIBILITY FOR FUNCTIONS

INTRODUCTION

The Local Government Act 2000 and regulations made under the Act distribute responsibility for the Council's functions between the full Council and the Executive (Cabinet). The law allows the full Council to decide whether some functions (known as "local choice functions") should be exercised by the full Council, the Cabinet or another Council body.

The volume of the Council's business makes it impracticable for the full Council to make every decision that lies within its remit. The full Council has, therefore, delegated certain of its functions to other "Council bodies" which are known as 'Panels' and 'Committees'. Under the law, the full Council and the Cabinet may also delegate powers to officers to make decisions that they could make. The distribution of these powers to officers is set out in the "Scheme" of Delegation to Officers. Individual members of the Cabinet (Portfolio Holders) may also make decisions that could be made by the Cabinet.

This part of the Constitution describes the powers which may be exercised by the full Council, the Cabinet, other Council bodies and Portfolio Holders and sets out the scheme of delegation to officers.

11. EXCLUSION OF ACCESS BY THE PUBLIC TO REPORTS⁸¹

11.1 If the Chief Executive or his/her nominee thinks fit, the Council may exclude access by the public to reports which in his/her opinion relate to items during which, in accordance with Rule 10 of these Rules, the meeting is likely not to be open to the public. Such reports will be endorsed “Not for publication” together with the category of information likely to be disclosed.

11.2 There should be a paragraph in the body of such a report setting out an explanation of why the category of exempt information is applicable and whether on balance the public interest should override the application of the exemption.

11.3 Where practicable any exempt information required to enable a proper decision to be taken on the matter being reported to a meeting as specified in 1.1 above, should be separate from the body of the report in an appendix.

12. APPLICATION OF RULES TO THE CABINET

This requirement does not include meetings, whose sole purpose is for officers to brief members.

13. **PROCEDURE BEFORE TAKING KEY DECISIONS**

13.1 Subject to Rule 15 of these Rules (general exception) and Rule 16 of these Rules (special urgency), a key decision may not be taken unless:-

14.2.1 The Forward Plan will contain matters which the Cabinet has reason to believe will be subject of a key decision to be taken by the Cabinet, a committee of the Cabinet, individual members of the Cabinet, officers or under joint arrangements in the course of the discharge of an executive function during the period covered by the plan. It will describe the following particulars in so far as the information is available or might reasonably be obtained:-

15.1 If a matter which is likely to be a key decision has not been included in the forward plan, then subject to Rule 16 of these Rules (special urgency), the decision may still be taken if:-

- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next forward plan and until the start of the first month to which the next forward plan relates;

15.2 Where such a decision is taken collectively, it must be taken in public.

16. SPECIAL URGENCY

16.1 If by virtue of the date by which a decision must be taken Rule 15 of these Rules (general exception) cannot be followed, then

the decision can only be taken if the decision taker (if an individual) or the Chairman of the body making the decision, obtains the agreement of the Chairman of the Overview and Scrutiny Panel that the taking of the decision cannot be reasonably deferred.

- 16.2 If the Chairman of the Overview and Scrutiny Panel is unable to act, then the agreement of the Chairman of the Council, or in his/her absence the consent of the Chief Executive or his/her nominee will suffice.

The power to require a report rests with the Panel, but is also delegated to the Chief Executive, who shall require such a report on behalf of the Panel when so requested by the Chairman or any three members. Alternatively, the requirement may be raised by resolution passed at a meeting of the relevant Overview and Scrutiny panel.

17.2 Cabinet's Report to Council

The Cabinet will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within seven working days of receipt of the written notice, or the resolution of the Panel, then the report may be submitted to the meeting after that. The report to the Council will set out particulars of the decision, the individual or body making the decision, and if the Cabinet is of the opinion that it was a key decision the reasons for that opinion

17.3 Quarterly reports on special urgency decisions

In any event the Leader will submit quarterly reports to the Council on executive decisions taken in the circumstances set out in Rule 16 of these Rules (special urgency) in the preceding three months. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

18. RECORD OF DECISIONS

The record will include a statement of the reasons for each decision and any alternative options considered and rejected at that meeting.

19. CABINET MEETINGS RELATING TO MATTERS WHICH ARE NOT KEY DECISIONS

20. DECISIONS BY INDIVIDUAL MEMBERS OF THE CABINET

20.1 Reports intended to be taken into account

Where an individual member of the Cabinet receives a report which he/she intends to take into account in making any key decision, then he/she will not make the decision until at least three clear days after receipt of that report.

20.2 Provision of copies of reports to Overview and Scrutiny Panel

On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the Chairman of the Overview and Scrutiny Panel as soon as reasonably practicable, and make it publicly available at the same time.

20.3 Record of individual decision

As soon as reasonably practicable after an executive decision has been taken by an individual member of the Cabinet or a key decision has been taken by an officer, he/she will prepare, or instruct the Chief Executive to prepare, a record of the decision, a statement of the reasons for it and any alternative options considered and rejected. The provisions of Rules 7 and 8 of these Rules (inspection of documents after meetings) will also apply to the making of decision by individual members of the

Cabinet. This does not require the disclosure of exempt or confidential information.

21. OVERVIEW AND SCRUTINY PANEL'S ACCESS TO DOCUMENTS

21.1 Rights to Copies

Subject to Rule 21.2 of these Rules, the Overview and Scrutiny Panel (including its sub-panels) will be entitled to copies of any document which is in the possession or control of the Cabinet and which contains material relating to:-

All members will be entitled to inspect any document which is in the possession or under the control of the Cabinet and contains material relating to any business previously transacted or relates to any key decision unless it contains exempt information falling within paragraphs 1 to 6, 9, 11, 12 and 14 of the categories of exempt information set out in Rule 10.4 of these Rules.

22.2 Material relating to key decisions

All members of the Council will be entitled to inspect any document (except those available only in draft form) in the possession or under the control of the Cabinet or its committees which relates to any key decision unless Rule 22.1 of these Rules applies.

22.3 Nature of rights

These rights of a member are additional to any other right he/she may have.

RULE 3 BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1. THE FRAMEWORK FOR EXECUTIVE DECISIONS

- 1.1 The Council will be responsible for the adoption of its budget and policy framework as set out in Article 4. Once the budget or a policy framework is in place, it will be the responsibility of the Cabinet to implement it.

2. PROCESS FOR DEVELOPING FRAMEWORK

- 2.1 The process by which the budget and policy framework shall be developed is:-
- (a) The Cabinet will publicise by including in the forward plan and/or publication at the Council's offices or by other means e.g. on its website or in the local press, a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the budget and policy framework and its arrangements for consultation after publication of those initial proposals. The Chairman of the Overview and Scrutiny Panel also will be notified. In the absence of the Chairman, the Vice-Chairman of the Panel will be notified. The consultation period shall in each instance be relevant to the proposals to be considered and sufficient for meaningful consultation.
 - (b) At the end of that period, the Cabinet will then draw up firm proposals having regard to the responses to that consultation. If the Overview and Scrutiny Panel wishes to respond to the Cabinet in that consultation process then it may do so. As the Panel has responsibility for fixing its own work programme, it is open to the Panel to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response from the Panel into account in drawing up firm proposals for the submission to the Council and its report to Council will reflect the comments made by consultees and the Cabinet's response.
 - (c) Once the Cabinet has approved firm proposals, the Chief Executive will refer them at the earliest opportunity to the Council for decision.
 - (d) In reaching a decision, the Council may adopt the Cabinet's proposals, amend them, refer them back to the Cabinet for further consideration, or in principle, substitute its own proposals in their place.

- (e) If it accepts the recommendation of the Cabinet without amendment the Council may make a decision which has immediate effect otherwise it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.
- (f) The decision will be publicised within three working days of the meeting in accordance with Article 4 and a copy shall be given to the Leader.
- (g) An in-principle decision will automatically become effective within five working days from the publication of the Council's decision, unless the Leader informs the Chief Executive in writing within that period of five working days that he/she objects to the decision becoming effective and provides reasons why.
- (h) In that case, the Chief Executive will call a Council meeting within a further 15 working days unless the Leader considers that the matter can reasonably be referred to the next ordinary meeting of the Council. The Council will be required to reconsider its decision and the Leader's written submission. The Council may:-
 - (i) approve the Cabinet's recommendation by a simple majority of votes cast at the meeting; or
 - (ii) approve a different decision which does not accord with the recommendation of the Cabinet by a simple majority.
- (i) The decision shall then be made public in accordance with Article 4, and shall be implemented immediately.
- (j) In approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the Cabinet, in accordance with Rules 5 and 6 of these Rules (virement and in-year adjustment). Any other changes to the policy and budgetary framework are reserved to the Council.

3. DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- 3.1 Subject to the provisions of Rule 5 of these Rules (virement), the Cabinet committee of the Cabinet, individual members of the Cabinet and any officers or joint arrangements discharging executive functions may only take decisions which are in line

with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken by the Council, subject to Rule 4 of these Rules.

- 3.2 If the Cabinet, a committee of the Cabinet, individual members of the Cabinet and any officers or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in Rule 4 of these Rules (urgent decisions outside the budget and policy framework) shall apply.

4. URGENT DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- 4.1 The Cabinet, a committee of the Cabinet, an individual member of the Cabinet or officers or joint arrangements discharging executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:-
- (i) if it is not practical to convene a quorate meeting of the full Council; and
 - (ii) If the Leader and the Chairman of the Overview and Scrutiny Panel agrees that the decision is a matter of urgency.
- 4.2 The reasons why it is not practical to convene a quorate meeting of full Council and the Leader and Chairman of the Overview and Scrutiny Panel's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chairman of the Overview and Scrutiny Panel and/or the Leader, the consent of the Chairman of the Council, and in the absence of both, the Chief Executive or his/her nominee's consent will be sufficient.

- 4.3 Following the decision, the decision taker will provide a full report to the next ordinary Council meeting explaining the decision, the reasons for it and why the decision was taken as a matter of urgency.

5. VIREMENT

- 5.1 The Code of Financial Management in Part 4 of this Constitution includes provisions which set out the rules for moving monies between budgetary allocations including contingencies (virement).

6. IN YEAR CHANGES TO POLICY FRAMEWORK

- 6.1 The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Cabinet, a committee of the Cabinet, an individual member of the Cabinet or officers or joint arrangements discharging executive functions must be in line with it. No changes to any policy and strategy which make up the policy framework may be made by those bodies and individuals except those changes:-

- (a) which will result in the closure and discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance; or
- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

- 6.2 In each case a report on the action taken will be reported by the Cabinet to the next ordinary meeting of the Council.

7. CALL-IN OF DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- 7.1 Where the Overview and Scrutiny Panel is of the opinion that an executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or Chief Finance Officer.

- 7.2 In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and/or Chief Finance Officer's report shall be to the Cabinet with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the Overview and Scrutiny Panel if the Monitoring Officer or Chief Finance Officer conclude that the decision was not a departure.
- 7.3 If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Overview and Scrutiny Panel may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 10 working days of the request by the Overview and Scrutiny Panel. At the meeting it will receive a report on the decision or proposals and the advice of the Monitoring Officer and/or the Finance Officer. The Council may either:-
- (a) endorse a decision or proposal of the Cabinet decision taker as falling within the existing budget and policy framework. In this case no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
 - (b) amend the Council's Code of Financial Management or policy concerned to encompass a decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way; or
 - (c) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the Council's budget, and does not amend the existing framework to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer and/or Chief Finance Officer.

The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the Panel. Where the account to be given to the Panel will require the production of a report, the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- 16.3 Where, in exceptional circumstances, the member or officer is unable to attend on the required date, the Overview and Scrutiny Panel concerned shall, in consultation with the member or officer, arrange an alternative date for attendance to take place within a maximum of two months from the date of the original request.

No member of staff shall be required to answer any question which would compromise their political impartiality, including supporting or opposing any stated policy associated with a political party. The questioning of members or staff shall not be used to make accusations or to allege any wrongdoing on their part. Any such accusations or allegations shall be dealt with under the provisions of the Protocol on Member/Staff Relations or whistleblowing policy and procedure in Part 5 of this Constitution. The questioning of a member of staff may be adjourned at their request for a period to be set by the Chair.
- 16.5 The most senior officer present, other than the one giving account, may request the Chairman to cease the questioning of an officer giving account where he or she considers that the provisions of these rules are being breached.
- 16.6 Where the Overview and Scrutiny Panel is reviewing the work of the Council which is not a function of the Cabinet, it should not scrutinise individual decisions made by the Council or any committee or panel thereof, particularly decisions in respect of development control, licensing, registration, consents and other

(For the purposes of this Rule: “senior officer” has the meaning set out in Article 6); reference to Overview and Scrutiny Panel shall include reference to any Review Team).

17. ATTENDANCE BY OTHERS

17.1 The Overview and Scrutiny Panel or Review Team may invite people other than those people referred to in Rule 16 of these Rules to address it, discuss issues of local concern and/or answer questions. It may, for example, wish to hear from Councillors who are not members of the Cabinet, residents, stakeholders and members and officers in other parts of the public sector and may invite such people to attend.

18.2 The members of the Overview and Scrutiny Panel will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.

18.3 That notice will bear the date on which it is published and will specify that the decision will come into force and may then be implemented on the expiry of five working days after the publication of the decision, unless it is called in.

18.4 During that period the Chief Executive shall call in a decision for scrutiny by the appropriate panel if so requested by: a Chairman or Vice Chairman of any panel, or any three members who are members of the Overview and Scrutiny Function, or any 10 members of the Council and shall then notify the decision maker of the call-in. the Chairman of the Panel, and in any case within 15 working days of the decision to call in.²⁰

- 18.5 If, having considered the decision, the Overview and Scrutiny Panel does not object to a decision which has been made, no further action is necessary and the decision will be effective from the date of the meeting. If the Overview and Scrutiny Panel²¹ is still concerned about it, then it may refer it back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to full Council. If referred to the decision maker they shall then reconsider it within a further ten working days, amending the decision or not before adopting a final decision.
- 18.6 If, following an objection to the decision, the Overview and Scrutiny Panel does not meet in the period set out above or does meet but does not refer the matter back to the decision making person or body or refer the matter to full Council, the decision shall take effect on the date of the Overview and Scrutiny Panel meeting or the expiry of the 15 working days period whichever is the earlier.²²
- 18.7 If the matter is referred to full Council it shall be dealt with at the next ordinary meeting of the Council. If the Council does not object to a decision which has been made, no further action is necessary and the decision will be effective from the date of the meeting.²³ However, if the Council does object, it will refer any decision to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Cabinet a meeting will be reconvened to reconsider it within ten working days of the Council's request. Where the decision was made by an individual, the individual will reconsider it within ten working days of the Council's request.
- 18.8 If the Council does not meet or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or the expiry of the period in which the Council meeting should have been held whichever is the earlier.

The record of the decision and the notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one and therefore not subject to call-in.

20.3 The Chairman of the Overview and Scrutiny Panel or in his/her absence the Chairman of the Council must agree that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of both the Chairman of the Overview and Scrutiny Panel and the Chairman of the Council, the Chief Executive or his/her nominee's consent shall be required.

Members attending under this provision do not form part of any consideration of Quorum which must be calculated on the membership of the Panel considering the matter. For the avoidance of doubt this provision does not create a public speaking right further to section 12 of the Code of Conduct for Members.²⁷

22.1C Where a matter is not covered by rules 22.1A or 22.1B above, and if the matter could be considered by more than one Panel separately, and if it is considered by the Chairmen of the Panels concerned acting together that the matter is of such significance that one panel alone should not consider it. Then they may agree that one Panel shall consider the matter but that the members of the other relevant Panel(s) may attend the Panel for the purposes of that item and shall have the right to speak, take part in the debate and vote. Members attending under this provision do not form part of any consideration of Quorum which must be calculated on the membership of the Panel considering the matter. 1. Interpretation and scope

1.1 The Code of Procurement defines the regulatory and legal framework for procurement. It has been adopted in accordance with the requirements of Section 135(2) of the Local Government Act 1972 and the Public Procurement Regulations 2015.

1.2 What the Code covers?

This Code applies to the procurement, commissioning, hire, rental, lease or disposal by the Council of:

- (a) land and buildings, roads or other infrastructure;
- (b) vehicles or plant;
- (c) equipment, furniture and fittings;
- (d) construction and engineering works;
- (e) information and communication technology - hardware and software;
- (f) goods, materials, stationery, services and utilities;
- (g) repairs and maintenance; and
- (h) consultants, agency staff, agents and professional services.
- (i) sponsorship via funding, goods or services.

All procurements or sales made by or on behalf of the Council shall comply with this Code, subject to any overriding requirements of:

- the Council's Rules of Procedure and Code of Financial Management; and
- British or European Union law or regulation.

1.3 Fenland District Council as a Local Authority within the meaning of the Local Government Act 1972, is bound to comply with all relevant legislation of England and Wales and European Regulations in performing/undertaking any procurement. In the event any officer intends to procure goods or services they should confirm legal requirements with the procurement team. For the avoidance of doubt, all Tenderers must comply with Fenland District Council's obligations created above in their tender submissions.

1.4 Local Trade

The Council recognises the important role it has in shaping the local area, encouraging the local economy and supporting local businesses. In so far as EU Directives, collaborative procurement and value for money allow, the Council will seek to use local traders in its supply of goods, services and works (in accordance with Table 1 at 4.3)

1.5 Who the Code covers?

The Council includes all member bodies and person(s) acting in accordance with delegated authority on behalf of the Council. Reference to the “purchaser” shall mean any authorised employee, consultant or agency staff representing the Council in relation to creating a procurement transaction.

Throughout the Code, reference to contractor(s) or sub-contractor(s) shall mean any person, company or supplier(s) who have:

- (b) requested to be on an approved list of tenderers;
- (c) been approached to provide a quotation or tender
- (d) provided a quotation or tender; or
- (e) been awarded a contract in accordance with the provisions of this Code.
- (f) entered a partnering arrangement with the Council for purposes of procurement except where that is with other public bodies/consortium.
- (g) offered to supply sponsorship via funding, goods or services.

2. Step 1 - Buying

2.1 Delegated authority

In the interest of efficiency, CMT should delegate authority to people who can demonstrate skills and knowledge appropriate to the task. Each senior manager must keep a list of names of people who can make purchases, specifying a maximum financial limit for each transaction that is within those limits set out in table 1 at paragraph 4.3. The list is to be copied to the Corporate Director and Chief Finance Officer to aid financial control.

2.2 ICT purchases

In order to safeguard the integrity of the Council’s Information and Communication Technology (ICT) network, purchases of ICT software and hardware that forms part of any of the ICT network should be purchased only following advice from the Corporate Director and Chief Finance Officer or the ICT Manager, and in accordance with the Council’s ICT strategy.

2.3 Consultants

Rules surrounding procurement by the consultants/agency staff we employ can be found in section 12 of this document.

2.4 Procurement Cards

The Procurement Team have the facility to purchase low value goods and services by using a procurement credit card.

2.5 Internet purchasing

Goods can be purchased from the internet, by authorised signatories only, either by the use of an official order, where accepted, or by submitting a request, form PC1, to the Procurement Team to purchase an item(s) using a procurement card. (A copy of form PC1 can be obtained from the Procurement Team)

Discuss your direct internet purchasing requirements with the Procurement Team before placing an order; see paragraph 3.9 to guide internet purchase decisions.

The Council does not permit any personal purchasing from the internet.

2.6 Ordering of Goods and Services

All purchases should be made using the Council's Procure to Pay System (Agresso) and all orders should be approved by the relevant officer in accordance with the authorisation levels set by CMT.

3. Step 2 - Identifying the procurement route.

3.1 Procurement value calculation

In this context, the value of a procurement means the estimated total monetary value over a contract's full duration (N.B. an aggregated value (see paragraph 4.2) and not a single annual value). Where the duration of a procurement is indeterminate, the contract value will be taken to be the estimated value of the contract over a four year period. **On no account should any requirement be split in an attempt to avoid using the proper procedure under this code.**

Every effort should be made to make the best use of our buying power by aggregating purchases whenever possible to benefit from economies of scale.

The purchaser must ensure that adequate budget is available prior to commitment to any contractor and value for money (vfm) is being obtained. In the event that there are insufficient funds, then the procurement cannot proceed until funds are identified in accordance with the Councils Financial Regulations.

3.2 Secondhand purchases and purchases from auctions

The Council accepts that there may be circumstances where the purchase of previously used goods, to obtain better value for money or to remain within the allocated budget, is allowable, subject to the following processes and rules.

- There must be documentary assurance that the goods being purchased are fit for purpose.
- Price comparisons must be sought for similar goods, in line with procurement thresholds outlined in table 1 paragraph 4.3.
- Maintenance or replacement options must be covered either by the supplier or by in-house Council expertise.
- The condition of the goods must be assessed by the officer likely to be using the goods, to ensure the goods are fit for purpose.
- Warranties included in the procurement must be used to cover repair, maintenance or return of goods as appropriate.

All other procurement procedures, outlined within this document, must be adhered to.

3.3 Before starting the procurement process; -

- Notify the Procurement Team of any Category “B” tenders (value between £5,000 - £25,000) and Category “C” or “D” tender process, (services or goods with an aggregated value over £25,000). Government Legislation mandates that all procurements over £5000 are to be registered for transparency regulations and all procurements over £25,000 are to be advertised via the Governments Contracts Finder Portal.
- The Procurement Team will;
 - review the procurement against other contracts/purchases made by other services. (To co-ordinate spend and achieve improved deals through discount for bulk.)
 - update and maintain their ‘Contracts Database’ and transparency register
 - advertise requirements via Contracts Finder where required.
- Seek advice from the Procurement Team, on;-
 - Existing corporate contracts
 - Government contracts
 - Buying consortia
 - Existing suppliers on the Council’s ‘Supplier Database’
 - Collaborative opportunities
 - Following correct procedures
 - In-house service providers
 - Local suppliers
 - Social Enterprises
 - Value for Money (vfm)

3.4 Existing corporate contracts.

- Corporate contracts exist to rationalise the number of suppliers supplying the same service or product, for instance cleaning or catering, and to make efficiency gains surrounding the administration of the quotation and tendering processes. Where the Council has tendered for a service, such as cleaning or catering, then all similar requirements for that type of service must

join an existing corporate contract subject to quality and value for money assessment. (See paragraph 13 for exemptions.)

- All corporate contracts will be regularly reviewed and tendered with the assistance of the Procurement Team.
- A list of corporate contracts can be found on the Procurement Pages on the Council's intranet.

3.5 Register of Tenders and Contracts

- All intentions to tender must be notified to the Procurement Team, where it will be logged before any formal documentation, supplier contact or advertisement has commenced in line with the Public Contract Regulations 2015.
- Once a contract has been awarded, whether following a tender process or not, the details of that contract must be notified to the Procurement Team and these details will be recorded on the Council's Contracts Database and Transparency Register.

3.6 Government buying contracts and other buying consortia

- Organisations such as Eastern Shires Purchasing Organisation (ESPO(Pro5)) and Crown Commercial Services (CCS) , have a vast range of pretended contracts for goods and services available to Local Government.
- These contracts, regardless of value, including EU threshold regulations, prevent the need for formal processes for quotations and tenders. This improves administrative efficiency and reduces the time needed to acquire either goods or services. (Note: These contracts must match the Council's requirement exactly.)
- If there is more than one pretended supplier that can supply the goods or services required, then it is advisable to operate a 'mini competition' which involves obtaining a price/quotation from all suppliers capable of supplying the requirements. The Procurement Team can offer advice and guidance in this area.

3.7 Advertising on Contracts Finder

- All invitations to tender must be advertised on the Governments Contracts Finder Website coinciding with the timings surrounding the tender process.

3.8 Internet purchasing

- Internet purchasing can be made via the following routes and methods in conjunction with an Agresso Order; -

- Via the Print room for stationery and ICT consumables from Banner, ESPO and CCS.
- Via the Purchasing Manager for any Banner, ESPO or CCS purchases.
- From any web supplier, direct via authorised signatories only, who will accept an official FDC order, .
- From any web supplier via the Procurement Team who have access to credit facilities by use of Government Procurement Cards.

The Council does not permit any personal purchasing from the internet.

3.9 Use of internet auction sites

Unless specifically part of a Local Government tender process, use of internet auction sites for purchases is prohibited, e.g. e-Bay.

3.10 Award Criteria

Tender documentation must state how submitted tenders will be evaluated and what weighting/multiplier, if any, will be applied to the calculation. Advice from the Procurement Team should be sought prior to the start of the procurement process.

3.11 Breaching of the Code of Procurement

The Code of Procurement is part of the Council's Constitution. A breach of this Code may lead to disciplinary action.

A breach is defined as any non-compliance or failure to evidence compliance with any part of this Code.

3.12 Checking all tenders

The Procurement Team are to be given all tender documentation one week prior to sending out.

- To review document
- Ensure standardisation
- Scrutinise the process

3.13 Electronic procurement

Where this option is available or offered as part of a collaborative procurement, seek advice from the Procurement Team before commencing the procurement process.

Quotes for category “A” and category “B” procurements can be requested and received via e-mail.

Tenders for Category “C” and category “D” procurements can be distributed via either the postal system or e-mail. Tender responses can be received via the post or e-mail in the method described in paragraph 5.2(a) and 5.2(b). However, if e-mail is chosen, seek procedural advice from the Procurement Team.

4. Step 3 – Identifying Suppliers.

4.1 Retaining documentation

The purchaser should record and retain quotations and tenders obtained to provide evidence of competition, fairness, value to the Council and the basis of decisions made for a period.

Document retention guidelines will be supplied by the Procurement Team, including statutory requirements as appropriate.

4.2 Aggregation Rules

Any contract value or estimated contract value must be an accumulation of the ‘whole life’ costs of the contract, i.e. any cost associated with the procurement must be included to determine which procurement category should be used.

(Note: for aggregation purposes and where there is no specific contract length, purchasers should assume a contract length of at least 4 years for the purpose of this calculation.)

Having determined the proposed contract total value purchasers shall then follow one of the procedures, outlined in paragraph 4.3 table 1, which shall be used in all procurements or disposals.

4.3 Table 1 – procurement classification

Category	Estimated total value of procurement		Requirement	Exemptions
	Supplies & Services	Works		
A	Up to £5,000	Up to £10,000	An official order pertaining to at least one estimate shall be completed. An estimate from a local supplier should be included if possible. It is good practice to obtain more than one estimate/quotation. Officers must be sure that they have obtained value for money. (vfm) See advice in section 4.4	Not applicable.
B	Between £5,000 and £25,000	Between £10,000 and £100,000	Obtain at least three competitive quotations. At least one quotation to be obtained from a local supplier if possible.	Unless exceptions apply as per section 13.
C	Between £25,001 and £172,514	Between £100,001 and £4,322,012	Competitive tenders shall be obtained using one of the tendering options in this code and a formal written contract prepared. At least one tender sought from local suppliers where practical. <i>(Where externally compiled lists are to be used, e.g. Constructionline, then where possible a minimum of six suppliers should be sought for tendering.)</i>	Unless exceptions apply as per section 13.
D	Over £189,330 (Applicable from 01/01/20 to 31/12/21).	Over £4,733,252 (Applicable from 01/01/20 to 31/12/21).	The appropriate EC procurement directive shall be complied with.	See 3.6 & 4.8, pre-tendered Government contracts.

4.4 Category A Procurement

- For transactions valued up to £5,000, (£10,000 for works), competitive quotations are not required under this code, though it is always good practice to seek more than one quote if other suppliers are available. Officers must in all instances ensure the council is receiving value for money (vfm). If an officer is unsure of vfm when only one quote is received, they should either consult with the procurement team or obtain further quotes.

4.5 Category B Procurement

- For transactions valued between £5,000, and £25,000, (for works over £10,000, but at or below £100,000), at least three written quotations must be invited, specifying the supplies, services or works and setting out prices, terms and conditions of contract and terms of payment before a formal purchase order is issued.
- E-mailed quotations or catalogue prices are acceptable in these cases (as detailed in 4.8).
- If the Council is not bound to accept the lowest quote then this must be outlined in correspondence to those suppliers intending to submit quotes. Officers must in all instances ensure the council is receiving value for money (vfm).

4.6 Category C Procurement

- For transactions valued at over £25,000, (£100,000 for works) a formal tender procedure must be conducted in the manner outlined below.
 - Open
 - or Negotiated should be selected as the most appropriate for the transaction.
 - Officers must in all instances ensure the council is receiving value for money (vfm).

4.6.1 Open and Restricted Procedures

Open procedure is where anyone can submit a tender and it requires the following process:

- a) An advertisement must be placed on Contracts Finder web site. No pre-qualifying questionnaires are allowed and tenders should be sent to all companies who express their interest in the tender exercise.
- b) The advertisement should specify a time limit (minimum 10 working days) within which interested parties must express their interest in tendering. After the expiry of this period, invitations to tender should be sent to all the interested parties, specifying a period of not less than 15 working days for the return of tenders.
- c) Restricted is currently only used for Category D procurements.

4.6.3 Negotiated Procedure

Negotiated procedure is identical to that for the open procedure, except that post-tender negotiation is permitted. Advice should be sought from the Procurement Team prior to the start of the procurement process.

4.7 Category D Procurement

For transactions valued at over £189,330 for goods/services and £4,733,252 for works (or relevant threshold published at the time under EU rules) an EC procurement directive must be complied with. Under EC Directives, the contract may be tendered under the Open, Restricted or, in exceptional circumstances, the Negotiated procedure. These are essentially the same as the procedures for category C transactions but with additional formalities. The EC Directives are very detailed and consequently, advice should be sought from the Procurement Team prior to the start of the procurement process. For each contract, usually, a Contract Notice must be published in the Supplement to the Official Journal of the European Union (OJEU).

4.8 Government Catalogues

In its determination to improve the efficiency and economy of Public Authority procurement, Central Government has developed an executive unit of its own, Crown Commercial Services (CCS). This unit has links to a number of catalogues for a variety of supplies and services from suppliers that have been competitively evaluated and quality assessed. FDC can access these catalogues in order to identify suppliers for its own needs, subject to requirements of this Code as follows. (This also includes the Eastern Shires Purchasing Organisation (ESPO) and its merger with other purchasing organisations, named Pro5.)

Use of these catalogues enables procurement to take place without tendering even where EC thresholds are exceeded, because suppliers listed have already tendered in order to get on the list. However, all suppliers listed within the same framework/catalogue, and able to provide the required product, must be approached and offered an opportunity to show interest or, provide a quotation or tender.

4.9 Selection Criteria

- (a) Sufficient vetting shall be undertaken to ensure that all contractors: -
- comply with minimum standards of insurance;
 - have the necessary Health & Safety policy and performance and (where applicable) membership of the Contractor's Health and Safety Scheme or equivalent health and safety standard;
 - are financially viable based on a risk-based assessment;

- have an appropriate environmental policy;
 - comply with equalities legislation and policy; and
 - possess the experience and capacity required.
- (b) The Procurement Manager shall provide an appropriate questionnaire for the purpose of vetting contractors.

5. Step 4 – Receiving and opening tenders

5.1 Category “B” transactions

For category “B” transactions the principles of this code shall be applied in that fair and ethical procedures shall ensure that the most economically advantageous arrangement is obtained for the Council and that no potential contractor is treated any less fairly than another.

5.2 Category “C” or “D” transactions

Where tenders or quotations for category “C” or “D” transactions are invited, in accordance with this Code, no tender or quotation will be considered unless:

- (a) contained in a plain envelope which shall be securely sealed and shall bear the word “Tender” or “Quotation” followed by the subject to which it relates. Contractors shall be notified accordingly. The envelope shall not bear any distinguishing matter or mark intended to indicate the identity of the sender. Such envelopes shall be addressed impersonally to the Procurement Manager; or
- (b) it has been sent electronically to a specific e-mail address, an e-vault, which the Procurement Manager has sole access to once the tender expiry date has been reached.

5.3 Opening tenders

All envelopes or e-mails received shall be kept securely and shall not be opened or accessed until the time appointed for their opening. All tenders or quotations invited in accordance with this Code shall be opened at one time only and by at least two officers, one of whom must be an officer from the Procurement Team.

All tenders or quotations upon opening shall be recorded in writing on either a tender or quotation opening record, as is appropriate. The Form of Tender or Quotation and any accompanying documentation shall be marked with the date of opening and signed by at least two officers present at the opening. The tender or quotation opening record shall also be signed by at least two officers present at the opening. The Procurement Manager shall retain the original opening record.

5.4 Late quotes and tenders

Generally, any tenders or quotations received after the specified time shall be returned promptly to the contractor by the Procurement Manager. However, if it can be evidenced that no other tenders have been opened prior to receipt of the late tender or that no other tenders have been received then a late tender may be accepted at the discretion of the Procurement Manager. In the event that a tender has to be returned unaccepted then the tender or quotation may only be opened to ascertain the name of the contractor but no details of the tender or quotation shall be disclosed.

6. Step 5 – Evaluation of tenders and quotations.

6.1 Single tenders

For transactions in category “B” or “C” single tenders may only be accepted after a waiver has been obtained for this purpose under the procedure set out in section 17 of this Code.

6.2 Category “A” or “B” procurements

Where written quotations are invited for transactions in category “A” or “B” then the bidder submitting the lowest price bid should be awarded any resulting contract, unless alternative pre-determined criteria are used. In which case the tender providing the most economically advantageous arrangement to the Council according to the pre-determined criteria shall be selected.

6.3 Category “C” or “D” procurements

For transaction in category “C” or “D”, a more complex Best Value tender evaluation procedure based on the identification of the Most Economically Advantageous Tender (“MEAT”) should be used in preference to a price-only evaluation where appropriate.

This evaluation involves scoring tenders objectively, by a panel selected from officers and/or independent experts. The panel must be chosen by the appropriate member of CMT, using criteria that should:

- (a) be pre-determined and listed in the invitation to tender documentation
- (b) be strictly observed at all times throughout the tender process
- (c) reflect the principles of Best Value/Value for money
- (d) include price

- (e) consider whole-life costing, particularly in the case of capital equipment where the full cost of maintenance, decommissioning and disposal should be taken into account
- (f) measure achievement of technical requirements where appropriate
- (g) be capable of objective assessment
- (h) be weighted according to their respective importance
- (i) include, where applicable, the quality of the tenderers' proposals to transfer staff under the Transfer of Undertakings (Protection of Employment) (TUPE) Regulations 1981
- (j) avoid discrimination or perceived discrimination on the basis of nationality, or other discrimination contrary to the Council's Equality Policy.

Where this evaluation methodology is used, any resulting contract must be awarded to the tenderer who submits the most economically advantageous tender, i.e., the tender that achieves the highest score in the objective assessment.

6.4 Negotiated Procedure

Where a Negotiated Procedure has been used and post-tender negotiation has been entered into, all tenderers should be invited to submit their best and final offers at the conclusion of negotiations under the same procedure as for the receipt and opening of tenders above. In this case, the best and final offers should be evaluated by revisiting the objective scoring process and revising scores as appropriate.

6.5 Criteria for works contracts

Further criteria for works contracts must be applied, regardless of value, and a contractor must be selected who: -

- i) can confirm a business contact address and telephone number has an acceptable level of public liability insurance.
- ii) is registered for tax and holds a valid certificate (where appropriate).
- iii) is capable of undertaking the work safely and competently and is a member of a recognised trade association, e.g., NICEIC or ECA for electrical installation works or Gas Safe for gas installation works.

6.6 Criteria for service contracts

A further criterion for service contracts must be applied, regardless of value, a contractor must be selected who has appropriate indemnity insurance.

7. Arithmetical Errors

- 7.1. Contractors can alter their tenders or quotations after the date specified for their receipt but before the acceptance of the tender or quotation, where examination of the tender or quotation documents reveals arithmetical errors or discrepancies which affect the tender or quotation figure. The contractor shall be given details of all such errors or discrepancies and afforded an opportunity of confirming, amending or withdrawing this offer in writing.

8. Step 6 – Awarding contracts

8.1 Recording results

The results of the tender evaluation process should be recorded and retained by the Procurement Manager in accordance with paragraph 4.1 of this Code.

8.2 Contract authorisation/signing

Contracts must only be signed by a member of CMT or officers authorised to do so by a member of CMT. In nominating authorised officers, consideration shall be given to length, value and complexity of contract. All contract awards over £25,000 need to be published on Contracts Finder in line with Public Procurement Regulations 2015.

8.3 Formal contract for category “C” or “D”

A formal contract must be agreed for any procurement of supplies, services and works falling into category “C” or “D”.

8.4 Awarding EU contracts

All contracts awarded under EU Directives, should be formally notified to the Corporate Director and Chief Finance Officer.

All contracts awarded under EU Directives must observe a ten day ‘cooling off’ period after the award decision. Ten working days to start once all tender participants have been notified in writing of the decision.

9. Use of closed membership categories

9.1 Externally compiled lists.

Only those lists containing details of contractors that are compiled and maintained by an external organisation in a manner approved by the Corporate Director and Chief Finance Officer or Procurement

Manager shall be adopted as approved lists of tenderers, e.g. Constructionline. Any approved list of tenderers shall be reviewed periodically and at least prior to the third anniversary of its initial or further adoption and must be again approved by the Corporate Director and Chief Finance Officer or Procurement Manager. Adoption of such lists must be notified to the Corporate Director and Chief Finance Officer or Procurement Manager to be registered as a source for procurement.

For each use of the list, where the transaction falls into category “C”, invitations to tender for a contract should be sent to no less than six entrants by means of the application of pre-determined and objective tenderer selection criteria.

- In using a list, where tenders are for similar goods, services or works, i.e. have been tendered for previously within the last 9 months, then, to show fair competition, the new tender can include the best two returns from the previous tender and must include two new tenderers to replace the two lowest placed tenderers from the previous tender. The two remaining tender places can be taken by either local suppliers or tenderers from a previous tender. However, where possible, at least one of the six tenderers should be a local supplier.

Where the total is expected to fall into category “D”, tenders may be invited using the standing list but each requirement must also be advertised under the EU Directives.

10. Framework Agreements

10.1 What is a framework agreement?

Where the Council wishes to establish a supply relationship with a number of companies who provide similar goods or services it can create a framework agreement.

A framework agreement is where a limited number of companies can supply a specific service to the whole Council, and this will usually be created for corporate use by the Procurement Team. All purchases for this service will be acquired via the framework agreement, which will be reviewed every three years.

10.2 Using agreements

Once the Council has created a framework agreement all services requiring such a service must use the framework agreement.

External framework agreements, i.e. through the County Council or other Cambridgeshire Councils, must be used where appropriate, e.g. temporary staff and printing framework agreements.

11. Contracts

11.1 Cambridgeshire Procurement Group and collaborative/shared contracts

Collaboration exists between Cambridgeshire councils and to ensure Fenland's contracts are available to other Cambridgeshire councils the following statement must be included in all tender and contract documentation for category C and D procurements.

"It is possible that the contract may be extended to encompass the requirements of one or more of Cambridgeshire's five District Councils, Peterborough City Council and/or Cambridgeshire County Council at some point during the lifetime of the contract. It will be the responsibility of the appropriate Council to make this decision.

The District Councils are as follows:

- *Cambridge City Council;*
- *East Cambridgeshire District Council;*
- *Fenland District Council;*
- *Huntingdonshire District Council;*
- *South Cambridgeshire District Council*

The terms and conditions of this contract, as awarded, will apply to any of the named councils above should they so wish to utilise the procurement of goods, services or works within this contract.

Any contracts entered into through collaboration with other Local Authorities or other public bodies, where a competitive process has been followed that complies with the Contract Regulations/Code of Procurement of the leading organisation (but does not necessarily comply with Fenland's Code of Procurement), will be deemed to comply with our Code of Procurement but will require an exemption as per paragraph 13.3 of this Code. However, advice must be sought from the Procurement Team in the first instance.

In general, to use this type of contract the FDC specification, including terms and conditions, and price (budget availability), must be matched.

11.2 Contract extensions

Only contracts containing 'contract extension' clauses can be extended, unless paragraph 14.1 applies.

In all circumstances a contract extension must be approved in writing by the appropriate member of CMT (Complete form CE1 obtained from the Procurement Team).

11.3 Contracts Register/Contracts Database

All managers shall ensure that all category “B”, “C” and “D” procurements are notified to the Procurement Team so that they can be added to the Council’s ‘Contracts Database’ and Transparency Register.

11.4 Letters of intent

Letters of intent provide a contractor with the authority to proceed prior to the award of a contract. Use of this type of process is considered a ‘high risk’ and consequently can only be used under exceptional circumstances.

Letters of intent must be in a form approved by the Council’s Legal Team and must be signed by the member of CMT responsible for the relevant service.

This directive applies to both new contracts and contract extensions.

12. Consultants

12.1 Procurement and purchasing authorisation

Only permanent employees of Fenland District Council can have any procurement and purchasing authorisation.

- Therefore, consultants, agents, contractors, professional advisors and agency staff, have no authority to; -
 - Authorise Official Orders.
 - Make any verbal or written commitment on behalf of the Council.
 - Authorise invoices for payment
- Exemptions to the above can be approved by the Corporate Director and Chief Finance Officer, but in so doing must form part of the terms and conditions of their contract/relationship/employment by Fenland DC.
 - It shall be a condition of the engagement of any consultants, agents, contractors, professional advisors and agency staff who are to be responsible to the Council for the award or supervision of a contract on its behalf, that in relation to that contract they shall:
 - comply with this Code as though they were an employee of the Council;
 - at any time during the carrying out of the contract produce to CMT, on request, all the records maintained by them in relation to the contract; and

- on completion of the contract transmit all records that they have produced or received that relate to the contract to the appropriate member of CMT.

13. Exemptions

13.1 EU exemptions

See paragraph 3.6 for possible procedural exemptions.

13.2 Category “B” or “C” exemptions

Purchasers may apply an exemption from steps 3 and 5 for category “B” or “C” when:

- a) work to be executed or goods, services or materials to be supplied consist of repairs to or the supply of parts of existing proprietary machinery, equipment, hardware or plant and the repairs or the supply of parts cannot be carried out practicably by alternative contractors.
- b) specialist suppliers, consultants, agents or professional advisers are required and:
 - there is no satisfactory alternative; or
 - evidence indicates that there is likely to be no genuine competition; or
 - circumstances are such that a specialist needs to be assigned with urgency to mitigate against a legal and/or financial claim and delay would worsen the claim.
- c) the work is of a short-term nature to enable services to continue; short term is defined as a maximum of 3 months.
- d) the work is of a one-off emergency nature to prevent danger or harm to any person.
- e) a tendering exercise has been performed in accordance with this Code and only one tender has replied and has met the Council’s specified requirements in accordance with Step 3 of this Code.
- f) it is in the best interest of the Council to employ consultants or suppliers already contracted or previously contracted, within the last 12 months, following valid tendering procedures from other Council’s or partners, to be employed for further work associated with, but not critical to an existing project.

- g) a decision is taken by the Corporate Director and Chief Finance Officer, which is supported by the relevant Portfolio Holder, to suspend formal tendering procedures. All reasoning surrounding this decision must be clearly minuted and copied to the Procurement Manager.
- h) Where a contract is to be entered into through collaboration with other Local Authorities or other public bodies and where a competitive process has been followed that complies with the Contract Regulations/Code of Procurement of the leading organisation but does not necessarily comply with Fenland's Code of Procurement. Appropriate checks will be carried out by the Procurement Team to ensure this Council's interests are safeguarded.

13.3 Valid reasons to bypass quote or tender procedures

Nothing in this Code shall require tenders or quotations to be sought:

- for purchases through any local authority or government consortium, collaboration or similar body, where the procurement rules of that organisation have been adopted. Rules of another organisation can only be adopted with the approval, of the Corporate Director and Chief Finance Officer. (Exception see paragraph 11.1.); or
- for purchases through any Framework Agreement (See paragraph 11) where this Code of Procurement has been adopted. The Corporate Director and Chief Finance Officer or Procurement Manager shall approve and keep under review the continued suitability of any such Framework Agreements.
- for purchases made at public auction;
- Value for money should still be considered in any instance.

13.4 Applying exemptions

To exercise any of the above exemptions the purchaser shall compile and retain a record:

- reasoning the decision; and
- evidencing approval by the relevant member of CMT and the Corporate Director and Chief Finance Officer (or a nominated authorised signatory from within the Finance Service for procurements under EU threshold limits); and
- evidencing any action taken to ensure that the most economically advantageous arrangement has been obtained from the negotiations with the tenderer.

13.5 Corporate contracts

Exemptions from the use of corporate contracts must be obtained in writing from the appropriate member of CMT along with documented valid reasoning. Documentary copies to be forwarded to the Procurement Team.

13.6 Advice on exemptions

In the first instance, advice and decisions on applying exemptions will come from the Procurement Team. Should there be a requirement for further advice and a decision then the following hierarchy will be used;-

- Chief Accountant
- Corporate Director and Chief Finance Officer
- CMT
- Cabinet

14. Extensions

14.1 An existing contract may be extended once using the exemption in paragraph 13.2 (f) of this Code if all of the following apply:

- (a) If budgetary provision is available
- (b) If the terms and conditions will be unchanged
- (c) If continuing with the existing contract can be shown to provide better value for money than re-tendering on the basis of identifying possible suppliers (subject to 14.1(d))
- (d) If extending the contract does not take its whole value beyond the EC thresholds and does not increase the term by more than 12 months.

14.2 In all circumstances a contract extension must be approved in writing by the appropriate member of CMT.

15. Disposals

15.1 The same competitive process for buying supplies, services and works must also be applied to the disposal of surplus or obsolete goods, though separate procedures apply to the sale of land and/or property.

In principle:

- (a) competitive bids must be invited for all goods falling into category "A", except where the item is unlikely to attract any interest, in which case written approval must be sought from

the Procurement Manager before disposal.

- (b) if the estimated value of the goods falls into category “B” then a minimum of three bids must be invited.
- (c) if the estimated value of the goods falls into category “C” or “D” then a professional valuation should be obtained, a minimum of 3 sealed bids must be invited and opened in accordance with the procedure in section 5/step 4 of this code.

15.2 In case of doubt, professional advice should be sought when making valuations. For higher value items, sale by auction should be considered as an alternative to sealed bids, but care should be taken to evaluate the full cost of the process.

15.3 In all cases, the highest bid received must be accepted, unless it can be demonstrated that an alternative bid is more economically advantageous overall to the Council in which case the reasoning for the decision should be recorded and prior approval sought from the Corporate Director and Chief Finance Officer or Procurement Manager.

15.4 Public Auction can be used for items of any value where deemed most likely to achieve greatest interest in the goods for disposal. In the case of auction then a reserve value should be agreed with the Corporate Director and Chief Finance officer or Procurement Manager prior to sale commencement or in accordance with a valuation process approved by the Corporate Director and Chief Finance Officer or Procurement Manager.

15.5 Disposal by auction can be made either by a professional auction house or an internally managed formal auction process.

- The Council’s intranet can be used for the internal auction process

16 Prompt Payment Code

16.1 The Public Procurement Regulations 2015 require the Council to pay suppliers promptly. This means that in dealing with suppliers it will: -

- Pay suppliers through the Council’s Procure to Pay system (Agresso), on time within the terms agreed at the outset of the contract (usually 30 days) without attempting to change payment terms retrospectively without changing practice on length of payment for smaller companies on unreasonable grounds.
- Provide suppliers with clear and easily accessible guidance on payment procedures ensuring there is a system for dealing with complaints and disputes which is communicated to suppliers advising them promptly if there is any reason why an invoice is in dispute.

- Ensure that a maximum 30 day payment term is written into all contracts and that contractors pass this through the entire supply chain.

16.2 Before committing to suppliers wishing to operate different payment terms to the usual 30 days, the Chief Finance Officer should be notified of the alternative requirement to ensure that the terms can be met.

17. Terms and conditions

17.1 All orders placed by the Council shall be on the Council's Terms and Conditions or industry standard terms and conditions used by the Council, including compliance with the requirements of the Prompt Payment Code, see paragraph 16 above.

17.2 Where a contractor formally insists on trading on Terms and Conditions other than those of the Council, these must be approved, prior to an order being placed, by the Chief Solicitor, except for:-

- Any framework agreement adopted by the Council.
- Any Government Catalogue or ESPO (Pro5) contract.
- Orders for less than £5,000, where goods or services are purchased on a retail basis on terms available to the general public.
- Orders for software where the licence is for a 'standard' product, but not where customisation, development or on-site service is required for a 'standard' product.

17.3 All contracts for category "C" or "D" procurements must have a contract, bearing the relevant Terms and Conditions agreed by the relevant member of CMT, signed by both parties.

17.4 Performance bonds

Where a contract (other than for the performance of legal or consultancy services) is estimated to exceed EU Thresholds and is for the execution of the works by a particular date or series of dates or in cases where the relevant member of CMT so decides, the contractor shall supply a performance bond in the sum of 10% of the contract sum or such lower amount as the Corporate Director and Chief Finance Officer shall certify as the maximum loss which could be suffered by the Council. The surety shall be a substantial bank or insurance company approved for that purpose by the relevant member of CMT and approved by the Corporate Director and Chief Finance Officer.

Exceptionally, a parent company guarantee may be given in lieu of the provision of a performance bond if the relevant member of CMT and the Corporate Director and Chief Finance Officer agree.

17.5 All procurement processes should have regard to the Council's Anti-Fraud and Corruption Policies. Expenditure holders who authorize orders should make sure they are fully aware of these policies to safeguard the authority.

- 2.1.5. In order to ensure that a fair process can be followed and subject to paragraph 2.1.7 details of the complaint together with the name of the complainant will be shared with the Subject concerned as soon as practicable after receipt (or where clarification is sought, as soon as possible after that). At that stage the Subject will be given 7 working days to provide an initial response to the concerns which the Monitoring Officer will take into account in determining what if any further action to take under this procedure.
- 2.1.6. The Monitoring Officer can obtain any other preliminary information as may be of assistance such as minutes of meetings, policy or procedural documents and published media. This can be done at any stage in the process if it is felt it will aid decision making.
- 2.1.7. Anonymous complaints will not be acted on unless there is a clear public interest to do so however, complainants can request that their identities remain confidential in exceptional circumstances. Requests for confidentiality will be considered by the Monitoring Officer and the complainant will be informed in writing of the outcome before the complaint proceeds any further.
- 2.1.8. The Monitoring Officer will keep the Complainant, the Subject and the Clerk (if appropriate) informed of the progress of the Complaint, unless the Monitoring Officer considers that this may prejudice any investigation.

- 2.1.9. The existence and content of all complaints will remain strictly confidential and shall not be published, discussed or otherwise disclosed until a conclusion has been reached and unless it is a requirement of this or the hearing process (for example at an investigative interview or hearing) or the Subject waives this requirement by making the disclosure themselves.
- 2.1.10. Complainants can withdraw their complaint at any time during the process by informing the Monitoring Officer in writing. The Monitoring Officer does however reserve the right to pursue the issues giving rise to the complaint where it is considered to be in the interests of good governance to do so.

2.2. Initial Consideration of the Complaint

2.2.3. The Monitoring Officer will consider the complaint and determine, in consultation with the Chairman and Independent Person which of the following actions to take:

- No further action required;
- Further action through information resolution;
- Referral to the Police in any circumstance where there is evidence of potential criminal conduct;
- Referral for investigation in accordance with paragraph 2.3 of this Procedure;
- Summary Resolution in accordance with paragraph 2.5 of this Procedure
- This should only be used if this is also agreed unanimously by the Chairman and Independent Person

2.2.4. It is likely that no action will be taken in the following (non-exhaustive) circumstances:

- The complaint concerns someone who is no longer a Councillor; and
- The complaint is essentially against the Council as a whole and should not be directed at an individual.

2.2.5. Where it is appropriate to take some action and depending on the nature of the concerns raised it may be possible to resolve complaints informally and without the need for formal determination and/or sanction. The view of both the complainant and the Subject will be sought and will most likely be

appropriate in circumstances where the concerns raised are not in dispute and/or are not of a serious nature.

- 2.2.6. Where following informal action the complainant's concerns are not resolved, they may submit a request in writing for reconsideration by the Monitoring Officer. Where the Subject or Fenland District Council makes a reasonable offer of informal resolution but the person complaining is not willing to accept that offer, the Monitoring Officer will take account of this in deciding what if any further action to take. Where appropriate, the Monitoring Officer may again consider the options under paragraph 2.2.3 of this procedure.
- 2.2.7. Where a Police or other regulatory investigation is necessary, no further action will be taken by the Monitoring Officer until that procedure has been concluded and/or it is appropriate to do so. The Monitoring Officer has the power to make such a referral and must do so in all circumstances in which a criminal and/or regulatory offence may have occurred.
- 2.2.8. In all circumstances the Monitoring Officer will give a summary of the reasons for the decision in the form of a Decision Notice.

- 2.3.6. The Monitoring Officer will inform the complainant and the subject(s) of the complaint of the proposed timescales of the investigation which will most likely involve interviewing them and other witnesses as well as reviewing any relevant paperwork. Unless exceptional circumstances exist every effort should be made to ensure that the investigation is completed within 3 months of the referral.
- 2.3.7. In the event of a material change of circumstances the Monitoring Officer in consultation with the Chairman and Independent Person may terminate the investigation before it has concluded. Examples of when this may be appropriate are as follows:

- The Member has resigned (or not been re-elected) from the relevant Council, Town or Parish Council,
- The Member is seriously ill, or

The Investigating Officer will submit a final version of the report to the Monitoring Officer as soon as reasonably practicable once the deadline for providing comments in accordance with paragraph 2.3.9 has elapsed. The Investigating Officer will be expected to give their view of the evidence and whether or not a breach of the Code of Conduct has occurred.

2.3.11. If the Monitoring Officer is not satisfied that the investigation has been conducted properly, they may ask the Investigating Officer to reconsider their report.

2.4. **Consideration of the Investigation Report**

2.4.3. The Monitoring Officer will review the Investigating Officer's report in consultation with the Chairman and Independent Person and will reach a determination as to what if any further action is required within 7 working days of receiving the Report.

2.4.4. Where the Investigating Officer concludes that there is no evidence of a breach of the Code and the Monitoring Officer, Chairman and Independent Person are in agreement, the final report will be sent to the Complainant, the Subject and the Clerk (if appropriate) with confirmation that no further action will be taken.

2.4.5. Where the Investigating Officer concludes that there is evidence of a breach of the Code and the Monitoring Officer, Chairman and Independent Person are in agreement, they will then either seek a summary resolution or refer the matter for hearing by the Conduct Committee.

2.5. **Summary Resolution**

2.5.3. The Monitoring Officer may consider that a complaint can be reasonably resolved without the need for a hearing. In that event they will consult with the Chairman, Independent Person and the complainant with a view to agreeing a fair outcome. Such outcomes include the Subject offering an apology, removing posts from social media, attending training and/or mediation.

2.5.4. If the Subject accepts and complies with the suggested resolution no further action will be taken.

2.5.5. Where the Subject refuses to accept the suggested resolution, the matter will be referred to the Hearing Panel of the Conduct Committee for a hearing.

PART 5

CODES AND PROTOCOLS

- 1 Code of Conduct for Members
- 2 Local Code of Conduct on Planning Matters
- 3 Local Code of Conduct on Local Plan Process
- 4 Code of Conduct for Employees
- 5 Protocol for Member/Officer Relations
- 6 Protocol on Open Government

CODE 1 CODE OF CONDUCT FOR MEMBERS¹

The Members' Code of Conduct is intended to promote high standards of behaviour amongst the elected and co-opted members of the council.

The Code is underpinned by the following principles of public life which should borne in mind when interpreting the meaning of the Code:-

- i **Selflessness** Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.
- ii **Integrity** Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.
- iii **Objectivity** In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.
- iv **Accountability** Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.
- v **Openness** Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.
- vi **Honesty** Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.
- vii **Leadership** Holders of public office should promote and support these principles by leadership and example.

PART 1 GENERAL PROVISIONS

1. Introduction and interpretation

- 1.1. This Code applies to **you** as a member of Fenland District Council (Fenland).
- 1.2. The term "**the Authority**" used in this Code refers to Fenland.
- 1.3. "**Member**" means any person being an elected or co-opted member of the Authority.
- 1.4. It is **your** responsibility to comply with the provisions of this Code.

¹ New code adopted 26th July 2012, revised and adopted 14 December 2020

1.5. In this Code –

“Meeting” means any meeting of:-

- a) The Authority;
- b) Any meetings with the Council’s officers;
- c) Any of the Authority’s Committees, sub-committees, joint committees, joint sub-committees, or area committees²;
- d) Any site visits to do the business of the Authority;
- e) Any of the Authority’s advisory groups and, working parties and panels.

1.6. In this Code “relevant authority” has the meaning given to it by section 27(6) of the Localism Act 2011.

2. Scope

2.1. You must comply with this Code whenever you act, claim to act or give the impression you are acting in your official capacity as a Member of the Authority. For example, members will be deemed to be acting in their official capacity if:

- they are talking in a Council meeting or public forum where they are there as part of their Councillor role
- they are writing on an online forum that is open to the public (ie a closed or private forum or private message thread is less likely to engage the Code of Conduct) and in which they have made it clear they are responding in their official capacity either by directly saying so, or by responding to a question about Council business in a way that suggests they are doing so
- they are talking to a member of the electorate about matters which pertain to Council business³

2.2. Where you act as a representative of the Authority:-

- (a) on another relevant authority, you must, when acting for that other authority, comply with that other authority's code of conduct; or
- (b) on any other body, you must, when acting for that other body, comply with your authority's code of conduct, except and insofar as it conflicts with any other lawful obligations to which that other body may be subject.

² Amendment approved by MO Decision 30 April 2020, deleted 7 May 2021

³ Amended approved 14 December 2020

3. **General obligations**

The “scope” of the Code of Conduct is important here and these general obligations only appear, as specified earlier in this document, to situations which fall within that scope.

- 3.1. You must treat others with respect. It is not considered disrespectful to disagree with somebody or to argue a different point of view with them. This is in fact vital to the proper functioning of any democratic authority. You should not however subject individuals, groups of people or organisations to personal attack or use any speech which could be considered to be ‘hate speech’ or otherwise unlawful.

Other examples of disrespect include:

In a meeting, failure to follow the rulings and guidance of the Chairman in regards to conduct and behaviour within the meeting is considered disrespectful.

Within the scope of the Code of Conduct, to swear or use foul language in a meeting could be considered disrespectful. The Chairman might choose to give a warning about such behaviour.⁴

- 3.2. You must not:-

- (a) do anything, which may cause the Authority to breach UK equalities legislation.
- (b) bully any person.
- (c) intimidate or attempt to intimidate any person who is or is likely to be:-
 - (i) a complainant,
 - (ii) a witness, or
 - (iii) involved in the administration of any investigation or proceedings,in relation to an allegation that a Member (including yourself) has failed to comply with his or her authority’s code of conduct.
- (d) do anything, which compromises or is likely to compromise the impartiality of those who work for, or on behalf of, the Authority.

However, it is again important to note that members can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner without this necessarily amounting to bullying, harassment and/or discrimination.⁵

- (e) conduct yourself in a manner, which could reasonably be regarded as bringing your office or authority into disrepute. For example, behaviour that is considered criminal, dishonest and/or deceitful can bring your authority into disrepute together with false statements about Council matters given to and published by the press. However, members may choose to, in their official capacity, civilly express their

⁴ Amendment approved 14 December 2020

⁵ Amendment approved 14 December 2020

honestly and reasonably held views, and that is not a breach of the Code of Conduct provided that their comments are lawful – debate and disagreement do not bring the Council into disrepute, they are a necessary facet of democracy. Members are however encouraged to raise their concerns via the most appropriate forum for dealing with them for instance by referring criminal matters to the Police, reporting breaches of the Code to the Monitoring Officer and/or raising concerns about officers with their line manager.⁶

4. You must not:-

4.1. disclose information given to you in confidence by anyone, or information acquired by you which you believe, or ought reasonably to be aware, is of a confidential nature, except where:-

- (a) you have the consent of a person authorised to give it;
- (b) you are required by law to do so;
- (c) the disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees not to disclose the information to any other person; or
- (d) the disclosure is:-
 - (i) reasonable and in the public interest; and
 - (ii) made in good faith and in compliance with the reasonable requirements of the authority.

4.2. prevent another person from gaining access to information to which that person is entitled by law.

5. You must not:-

5.1. use or attempt to use your position as a member improperly to confer on, or secure for yourself or any other person, an advantage or disadvantage.

6. You must:-

6.1. when using or authorising the use by others of the resources of the Authority:-

- (a) act in accordance with your Authority's reasonable requirements;
- (b) ensure that such resources are not used improperly for political purposes (including party political purposes); and

6.2. have regard to any Local Authority Code of Publicity made under the Local Government Act 1986.

⁶ Amendment approved 14 December 2020

9. Disclosable Pecuniary Interests in matters considered at meetings

9.1. If you attend a meeting⁷ and have and are aware that you have a Disclosable Pecuniary Interest in any matter to be considered, or being considered, at that meeting, –

- (a) **you must disclose** to the meeting the fact that you have a Disclosable Pecuniary Interest in that matter. **If you have not already done so, you must notify the Authority's Monitoring Officer** of the interest before the end of 28 days beginning with the date of the disclosure, and
- (b) whether the interest is registered or not you **must not** – unless you have obtained a dispensation from the Authority's Monitoring Officer –
 - (i) participate, or participate further, in any discussion of the matter or vote at the meeting; or

⁸ Amendment approved by MO Decision 30 April 2020, deleted 7 May 2021

10. Other Interests

10.1. In addition to the requirements of Paragraph 3, if you attend a meeting⁹ at which any item of business is to be considered and you are aware that you have a "non-disclosable pecuniary interest or non-pecuniary interest" in that item, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent

10.2. You have a "non-disclosable pecuniary interest or non-pecuniary interest" in an item of business of your authority where -

- (a) a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing of you or a member of your family or a person with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the authority's administrative area, or
- (b) it relates to or is likely to affect any of the interests listed in the Table in the Appendix to this Code, but in respect of a member of your family (other than a "relevant person") or a person with whom you have a close association and that interest is not a disclosable pecuniary interest.

11. **Sensitive interests**

11.1 Where you consider (and the Authority's Monitoring Officer agrees) that the nature of a Disclosable Pecuniary or Personal Interest is such that disclosure of the details of the interest could lead to you or a person connected with you being subject to intimidation or violence, it is a "sensitive interest" for the purposes of the Code, and the details of the sensitive interest do not need to be disclosed to a meeting, although the fact that you have a sensitive interest must be disclosed, in accordance with paragraphs 8 9 and 10.

Note: Register of interests

Interests under paragraph 8 will be notified to the Monitoring Officer on a form approved for the purpose by the Monitoring Officer and for this purpose will be deemed the "register of interests". Members who have openly declared their voting intention (on a planning or any other application, enforcement case or Local Development Framework proposal) in advance of the relevant Committee meeting should declare their interest and not vote because they could be considered to have fettered their discretion. In those circumstances a member should not speak and vote as a member of the Planning Committee.

In such cases the member has been excluded not because of the code but because the member's previous actions have fettered his/her discretion and possibly laid the Council open to the objection that the planning process has been tainted.

4. To avoid impressions of improper influence which lobbying by members can create:
 - Members should avoid organising support for or opposition to a planning matter to be determined by the District Council, and should not lobby members of the Planning Committee - such actions can easily be misunderstood by parties to the application and by the general public;
 - Members should not put pressure on officers for a particular recommendation;
 - political group meetings should not discuss planning application matters;
 - members should not act as agents or advocates for planning applications or any other applications, enforcement cases or Local Development Framework proposals to be determined by the District Council. Where a member is involved in a particular planning matter, she/he should take care not to appear to try to influence other members, and should declare an interest at the relevant Committee meeting;
 - whenever a member is approached or lobbied on any particular application that member should distribute a standard acknowledgement letter/postcard which makes clear the neutral stance which members need to adopt to remain impartial pending consideration of all the material facts at the Committee meeting;
 - Members should not attend private site meetings at the request of the applicant.

Decisions contrary to officer recommendations or to Development Plan policies

5. The proposer of the motion to go against the officers' recommendation, or the Chairman, should state the planning reasons for the proposal before a vote is taken the Ombudsman has said that the reasons should be convincing and be material planning considerations.

6. The Planning or Legal Officer present at the meeting should be given the opportunity to comment upon whether the reasons for the proposal are planning matters and, if an approval is proposed, to recommend appropriate planning conditions.
7. If the decision could be contrary to the Local Development Framework, then the officer should comment on the extent to which the other planning considerations could be seen to override the Local Development Framework, and on whether the decision would be a significant departure from the Plan requiring reference to the Secretary of State.
8. A detailed minute of the Committee's reasons for departing from the recommendation should be taken and a copy placed on the application file; if the decision is contrary to the Local Development Framework, the minute should state that and clearly set out those planning considerations which override the Local Development Framework.
9. If a Committee wishes to amend or add conditions to an approval, then the wording should be decided at the meeting.

Approval of Repeat Applications for Development previously refused

10. The principles which can be distilled from Ombudsman cases are as follows:
 - there is perversity and maladministration, if a Local Planning Authority approves a planning application, which has previously been refused, where there has not been a significant change in the planning circumstances;
 - the fact that there has been a significant change in the membership of the Planning Committee does not justify inconsistency between current and previous decisions;
 - the perversity of approving a planning application, which has been previously refused, where there has been no significant change in the planning circumstances, is maladministration if:
 - insufficient weight has been given to officers' recommendations and Central Government guidance; and
 - there is failure to give and record reasons for the Authority's change of mind.
11. Members are advised that a serious risk of challenge is posed by a failure to give and record clear and convincing planning reasons for the approval of planning applications for which there is a history of refusals by the Council and Inspectors appointed by the Secretary of State where there has been no significant change in the planning circumstances.
12. If a Committee is minded to approve an application for development previously refused, the proposer of the motion for approval or the Chairman

should state what the significant change in the planning circumstances justifying approval before a vote is taken.

13. If there is a history of refusals by the Council and Inspectors appointed by the Secretary of State, the proposer of the motion for approval or the Chairman should also state why the Inspector's decision should no longer be followed before a vote is taken.

Parish or Town Council Membership

14. A member of the Planning Committee may also serve as a member of a Town or Parish Council, which makes representations about a planning application to be considered by the Planning Committee. If the member is present at a meeting of the Town or Parish Council (or one of its committees) when the attitude of the Town or Parish Council to the application is under consideration, he or she may take part in the discussion,. He or she may express any view on the application, but should ask for his or her membership of the District Council Planning Committee and the fact that before making any decision at District Council level, he or she will consider all relevant matters, to be recorded.
15. At Planning Committee, any Member who has expressed a view on the merits of an application at a meeting of a Town or Parish Council, should make this known, and should repeat that they will consider all relevant matters before coming to a decision.
16. Although the consultation response from a Parish/Town Council is a relevant consideration, members should not automatically defer to the Parish/Town Council view, because Parish/Town Councils do not have the advice of professional Planning Officers in reaching their decision.

The Role of Officers

17. To ensure that Committees give consideration to the Development Plan and other material considerations, Committee decisions on planning applications, enforcement cases and Local Development Framework proposals will normally be taken only after the Committee has received a written officer report. Written officer reports will reflect the collective view of the Department - not the view of the individual author.
18. Reports should be accurate and should:
 - cover, amongst other things, the substance of objections and the views of people who have been consulted;
 - include reference to relevant material and Local Planning policies and their implications for the case; the site or related history (where relevant) and any other material considerations;

- have a written recommendation of action; oral reporting should be rare and be carefully minuted when it occurs;
 - contain an appraisal of the planning considerations which clearly justifies the recommendation and broadly indicates the weight which can be given to any opposing considerations;
 - if the recommendation is contrary to the provisions of the Development Plan, clearly state the material considerations which justify this;
 - describe the purpose and content of any planning agreement or obligation proposed in association with the planning permission...
19. Officers must always act impartially. The Royal Town Planning Institute Code of Conduct says planners:
- shall not make or subscribe to any statements or reports which are contrary to their own bona fide professional opinions;
 - shall act with competence, honesty and integrity;
 - shall fearlessly and impartially exercise their independent professional judgment to the best of their skill and understanding;
 - shall discharge their duty to their employers, clients, colleagues and others with due care and diligence;
 - shall not discriminate on the grounds of race, sex, sexual orientation, creed, religion, disability or age and shall seek to eliminate such discrimination by others and to promote equality of opportunity;
 - shall not bring the profession or the Royal Town Planning Institute into disrepute.
20. These guidelines should apply to all Planning Officers. A requirement for staff to act impartially is likely to be a requirement of the statutory employees' code.

The Role of Members

21. Whilst Members should take account of differing views, they should not favour any person, company, group or locality, nor put themselves in a position where they, appear to do so. Members who do not feel that they can act in this way should consider whether they are best suited to serve on a Planning Committee.
22. The District Council has adopted the new Model Code of Conduct including paragraph 12.2. This means that members who have a prejudicial interest may address the Committee in the same way that members of the public can, and answer any question put to them after which they must leave the room, before any voting takes place. Members may not remain to observe the

meetings consideration even in the public gallery and should not attempt to improperly influence the decision.

23. ¹¹

The Basis for Planning Decisions

24. It is the responsibility of officers in preparing reports and recommendations to members, and in advising Committees, to identify the material planning considerations and to ensure members are aware of those matters which are not material to planning decisions.

25. Section 70 of the Town and Country Planning Act 1990, provides that Members have a statutory duty when determining planning applications, to have regard to the provisions of the Development Plan where material to the application, and to any other material consideration. The starting point for decisions on planning applications is the Development Plan. Section 54A of the Town and Country Planning Act says that planning decisions shall be made in accordance with the Development Plan, unless material considerations indicate otherwise.

26. Other material planning considerations include:

- Government guidance contained, for example, in Planning Policy Guidance notes (PPGs), Regional Planning Guidance, Circulars' and Ministerial announcements;
- planning briefs and other 'supplementary planning guidance' approved by the Council following public consultation;
- statutory duties in relation to conservation areas and listed buildings;
- representations made by statutory consultees and other people making comments, to the extent that they relate to planning matters;
- the environmental qualities of the surrounding area or the visual character of a street (this includes the scale, design and materials of buildings and the landscaping of a site);
- the amenity and privacy of dwellings;
- the character of an area in other senses (in terms of noise or other forms of pollution);
- road safety (both directly as in the case of a dangerous access or indirectly in terms of car parking and traffic generation);
- public services, such as drainage;

¹¹ Amendment approved by MO Decision 30 April 2020, deleted 7 May 2021

- public proposals for using the same land; and
- legitimate planning gain/community benefit.

27. There is much case law on what are, and are not material planning matters. Planning matters must relate to the use and development of land. For example, the following are not normally planning matters and cannot be taken into account in planning decisions:

- personal and financial considerations;
- private property rights and boundary disputes;
- covenants;
- effects on property and land values;
- developers' motives;
- public support or opposition, unless it is founded on valid planning matters;
- the fact that development has already begun (people can carry out development at their own risk before getting permission and the Council has to judge development on its planning merits);
- the fact that an applicant has carried out unauthorised development in the past;
- "trade objections" from potential competitors;
- moral objections such as activities likely to become addictive, for instance betting shops, lottery kiosks or amusement arcades;
- the belief that an application is submitted by an owner with the intention of selling the property at an enhanced value;
- the loss of an attractive private view (for instance when development is proposed on the opposite side of the road to or at the rear of an objector's house);
- the fear that an objector's house or property might be devalued;
- the fact that the applicant does not own the land to which his application relates (this can be overcome by agreement with the owner and, if it is not, the development cannot happen);
- the fact that an objector is a tenant of land where development is proposed; any consequences between landlord and tenant are unrelated to the application;

- allegations that a proposal might affect private rights, eg restrictive covenants; property maintenance; ownership and private rights of way disputes; boundary disputes; (such considerations are legal matters on which objectors should consult their own solicitor or advisor since it will not be possible for officers of the Council to advise as to such rights);
- arguments of a personal kind in relation to the circumstances of the applicant. It is essential that members are aware that planning permission goes with the land. The Government inquiry into planning in North Cornwall ('Inquiry into the Planning System in North Cornwall - DoE 1993') makes it plain that personal preferences are not reasons for granting planning permissions. Personal circumstances may, very exceptionally, have a place in the system. Therefore, information about the applicant should not be material to the consideration of a planning application in the vast majority of cases, and personal circumstances cannot therefore, in general, outweigh planning considerations.

The Media

28. The principles of this Code also apply to press contact. Members and officers when commenting to the media on planning matters should:
- have regard to the points made in the section on lobbying;
 - ensure that they do not give the -impression that they have pre-judged the planning application;
 - make clear that members will retain an open mind until such time as the full facts are available and these are debated by the appropriate Committee;
 - for delegated applications, make clear that the Development Control Manager will retain an open mind until such time as the full facts are available and presented for decision.
29. Any officers can provide facts about a planning matter which are in the public domain and available to the media (see guidance note on the Local Government Act 1972). However, the media should be referred to the Development Control Manager for attributable comments.

Participation at Planning Committee

30. The Planning Committee in coming to a decision on a particular planning application, will listen to and take account of representations made by local Town and Parish Councillors, local residents, objectors, applicants, planning agents, and non-Planning Committee District Councillors (in relation to applications in either their ward or adjacent wards) as well as other relevant information.

31. In order to efficiently and effectively manage the business of the Planning Committee and also to give equal opportunity to those people who wish to participate, the following procedure will apply:-
- Local Town or Parish Councillors, objectors, their representatives, applicants, their representatives, planning agents and non-Planning Committee District Councillors will be given five minutes in which to make their representations to the Planning Committee. Where there is more than one participant in a given category for example, where there are two objectors who wish to participate, they will be limited to a maximum of five minutes in total.¹²
 - Local Town and Parish Councillors, objectors, their representatives, applicants, their representatives, and members of the public (either objectors or supporter), planning agents and non- Planning Committee District Councillors or others wishing to participate at Planning Committee must confirm their intention to participate in accordance with the guidance issued by the Council no later than noon on the day before the Planning Committee meeting.¹³
32. The Chairman of the Planning Committee will remind participants of the timescales that apply and will indicate when the timescales have been reached

**CODE 3
CODE OF CONDUCT
ON
LOCAL PLAN PROCESS**

1. All members of the Council with a beneficial interest in land who wish to make proposals about that land or on other matters which affect that land will
 - make such proposals in writing;
 - indicate clearly by delineation on an ordnance survey map or equivalent the precise extent of their beneficial interest in the land.

2. If any member of the Council becomes aware of any proposals or expressions of interest in possible proposals for land in which they have a beneficial interest they will
 - not discuss such proposals either directly or indirectly with anyone;
 - direct any such matters to the relevant officers of the Council who will progress the matter in a way which will not leave members open to potentially justifiable accusations of breach of the code of conduct.

3. If any member of the Council becomes aware of such proposals or expressions of interest described above relevant to such beneficial interests held by friends, relatives, employers or close associates they will conduct themselves in the manner described above.

The present Code of Conduct for Employees is set out in the Employees' Handbook at paragraph 4.1.¹

¹ Amendment approved 26th July 2012

CODE 5 PROTOCOL FOR MEMBER/OFFICER RELATIONS

1. INTRODUCTION

- 1.1 The purpose of this protocol is to guide Members and officers of the Council in their dealings with one another to ensure the smooth running of the Council.
- 1.2 Given the variety and complexity of such dealings, this protocol is not intended to be (and should not be read as) a rigid set of prescriptive rules to be applied in a legalistic way. Rather it is a workable flexible framework, the main principles of which are:
 - the political neutrality of officers and officer support;
 - mutual respect between Members and officers;
 - Acceptance of the different roles responsibilities and accountabilities of Members and officers;
 - confidentiality.
- 1.3 The guidance set out in this document should be interpreted in the light of those principles.
- 1.4 This protocol is largely a written statement of current practice and convention but seeks to promote greater clarity and certainty. If the advice is followed it should also ensure that Members receive objective and impartial advice and that officers are protected from accusations of bias and any undue influence from Members. The Council will thereby benefit as an organisation in terms of its efficiency and effectiveness.

2. ROLES OF MEMBERS AND OFFICERS

- 2.1 Traditionally, the distinction between roles turns on Members being responsible for determining policy whilst officers are responsible and accountable for implementing policy and managing the organisation. Given these roles, officers are expected to work within and pursue Council policies. Equally, Members are not expected to interfere with executive matters that are the responsibility of officers.
- 2.2 Organisational, political and other changes in local government have combined to make it increasingly difficult to define clearly at all times the respective roles of Members and officers. However, the traditional distinction set out in paragraph 2.1, remains a useful benchmark to guide both Members and officers. The former should guard against becoming involved in operational detail whilst the latter must demonstrate commitment

to and should not go beyond the properly formulated policies of the Council irrespective of any personal views.

- 2.3 Legislation provides that specific named officers will be responsible for the discharge of some functions. These functions are set out in the Scheme of Delegation in Part 3 of this Constitution. Whilst officers can act directly without reference to Members, in many cases action will only be taken following consultation with Members. Similarly, portfolio holders will have powers delegated to them either by the Council or by the Leader or the Cabinet where they would wish to consult with officers before exercising those powers.
- 2.4 Officers are accountable to their Corporate Director/Assistant Director² from whom they will normally receive their work through the line management structure. There will be occasions when officers receive instructions from a portfolio holder or requests from a Chairman. Officers will routinely liaise with their line managers on their capacity to undertake such tasks. There may be occasions when the Corporate Management Team member or other senior officer reverts to the Member concerned to discuss the impact of new work on existing priorities.
- 2.5 Finally, it must be remembered that officers within a service are accountable to the Chief Executive, or the relevant Corporate Director/Assistant Director³. Where officers assist Members they must not, in doing so, go beyond the bounds of whatever authority they have been given.⁴

3. RELATIONSHIPS BETWEEN MEMBERS AND OFFICERS

- 3.1 Mutual respect between Members and officers is essential to the good running of the Council, particularly, for example, the relationship between portfolio holders and the Corporate Management Team and between a Chairman and officers supporting his/her/their committee/panel. It is important though that such a relationship is open and transparent so that it does not lead to questions about an officer's ability to deal impartially with other Members, including Party Groups. It is equally important that abuse of power or offensive, abusive, intimidating, malicious or otherwise inappropriate behaviour does not taint the relationship.
- 3.2 Decisions on Council business can only be made either by properly constituted Member bodies or by the officers or portfolio holders to whom the decision has been delegated. Outside of

² Amendment approved 26 July 2012 and 26 February 2024

³ Amendment approved 26 February 2025

⁴ Amendment approved 26 July 2012

the scheme of delegation, chairmen, leaders of political groups, party group meetings etc. cannot lawfully make decisions on behalf of the Council.

- 3.3 Members and officers shall not engage in open criticism of each other (for example, in a public forum). It is unlikely to be conducive to good Member/officer working relations and may be damaging to morale within the Council.
- 3.4 Members and officers may consider that criticism is from time to time justified. However, it is generally neither possible nor appropriate for Members or officers to defend themselves in a public forum.
- 3.5 Members will not comment openly or through the media on the conduct of officers and officers will not comment openly or through the media on the conduct of Members. This is particularly applicable to comment in relation to any pending or ongoing complaint or disciplinary process involving a Member or an officer where such comment may be used in the proceedings and may prejudice their outcome.
- 3.6 Members concern about the actions of officers should be directed to the relevant Director concerned or the Chief Executive.⁵
- 3.7 Officers concern about the actions of Members should be referred to the Council's Monitoring Officer or to the Chief Executive.

4. MEMBER DEALINGS WITH THE COUNCIL

- 4.1 To avoid potentially causing embarrassment to staff, Members dealing with the Council other than in their capacity as a Fenland District Councillor and including as a private individual should normally advise the relevant member of the Corporate Management Team of that fact.
- 4.2 Officers finding themselves in the same situation should similarly advise, as they should when seeking help from a local councillor about an issue not related to their position as an officer of the Council.
- 4.3 The Scheme of Delegation to Officers specifically requires that all applications which are submitted on behalf of a Member of the Council in his/her or her private capacity or by a relative or the partner of a Member will be determined by Planning

⁵ Amendment approved 26 July 2012

Committee Members are asked to draw to the attention of the Chief Planning Officer in writing where this is relevant.⁶

5. ACCESS TO INFORMATION AND TO COUNCIL DOCUMENTS

- 5.1 Members may approach any Council service to provide them with information, explanation or advice (about that service's functions) as they may reasonably need to assist them to discharge their role as an elected Member. This can range from a request for general information about some aspect of the service delivery to a request for specific information on behalf of a constituent. Such approaches should normally be to the relevant member of the Corporate Management Team or through Member Services.⁷
- 5.2 The legal rights of Members to inspect Council documents are covered partly by statute law and partly by common law.
- 5.3 Members have a statutory right to inspect any Council document *which contains material relating to any business which is to be transacted at Council, Committee or Sub-Committee Meeting*. This right applies irrespective of whether the Member is a member of the particular body and extends not only to reports which are to be submitted to the meeting, but also to any relevant background papers. This right does not, however, apply to documents relating to certain items which may appear on the "exempt" part of the agenda. The items in question are those which contain exempt information relating to employees, occupiers of Council property, applicants for grants and other services, contract and industrial relations negotiations, advice from Counsel and criminal investigations. Without prejudice to its right to apply the statutory provisions, it is this Council's practice to provide such agenda reports to all Members on request.
- 5.4 The common law right of Members is much broader. It is based on the principle that any Member has a prima facie right to inspect Council documents *so far as his/her or her access to the documents is reasonably necessary to enable the member properly to perform his/her or her duties as a member of the Council*. This principle is commonly referred to as the "need to know" principle.
- 5.5 In most circumstances a Member's "need to know" will be presumed. In other circumstances (for example, a Member wishing to inspect documents that contain personal information about third parties) a Member will normally be expected to justify

⁶ Amendment approved 26 July 2012

⁷ Amendment approved 26th July 2012

the request in specific terms. Furthermore there will be a range of documents which, because of their nature, are either not accessible by Members or are accessible only by the political group forming the administration. This is particularly relevant in the case of the Cabinet. For example, draft documents compiled in the context of emerging Council policies and draft reports if disclosed prematurely might be against the Council's and the public interest.

- 5.6 The exercise of this common law right depends, therefore, upon the Member's ability to demonstrate the "need to know". In this respect a Member has no right to a roving commission to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is the determination of the "need to know". The particular member of the Corporate Management Team will initially determine this. Where a member of the Corporate Management Team is minded to decline to make information available the matter will be dealt with in consultation with the Chief Executive and the Monitoring Officer. In the event of a dispute, the Chief Executive may be asked to review the request for information and the decision taken by the Chief Executive, in consultation with party group leaders, will be final. Members do, of course, have the option to challenge the decision in the courts.
- 5.7 Further and more detailed advice about Members' rights to inspect Council documents may be obtained from the Chief Executive, or the Monitoring Officer.⁸
- 5.8 Finally, any Council information provided to a Member must only be used in connection with the proper performance of the Member's duties as a councillor. This point is emphasised in the Council's, Code of Conduct⁹ for Members which is set out elsewhere in this Part of the Constitution.

6. OFFICERS AND THE CABINET/PORTFOLIO HOLDERS

- 6.1 It is the prerogative of the Cabinet to set its own agenda. However, the Chief Executive and the remainder of the Corporate Management Team are the managers of the services. They are responsible for the efficiency and the effectiveness of those services to meet the policy objectives and targets set by the Council. They are also responsible for providing professional advice and are often required by their own professional institution to ensure they provide impartial and independent advice. The Cabinet should not, therefore, operate

⁸ Amendment approved 26 July 2012

⁹ Amendment approved 26 July 2012

in such a way that prevents or inhibits the professional responsibilities of its officers.

- 6.2 Before presenting reports to Cabinet, Corporate Management Team shall discuss their content with the relevant portfolio holder and, in the case of the more important issues or “delicate” issues, with the Leader also. Members should be given sufficient time for proper consideration of reports.
- 6.3 Cabinet Members should not seek to unduly influence an officer’s professional advice and the final decision on any changes requested by Cabinet Members to a professional officer’s report will rest with the writer of the report.
- 6.4 Where portfolio holders submit reports to Cabinet, officers should be given sufficient time to undertake the necessary research and internal consultation and be given the opportunity to comment on legality, consistency with Council policy and practice and budgetary and other implications.
- 6.5 Where a portfolio holder in line with his/her/their delegated authority takes a decision, it is the responsibility of the portfolio holder to ensure that the decision is properly recorded. To implement such a decision a portfolio holder may only issue an instruction to a senior officer or an officer so nominated by the relevant member of the Corporate Management Team.
- 6.6 The Cabinet should manage its business in such a way as not to place unsustainable burdens on officer workloads and will discuss resource requirements with relevant officers before making commitments.

7. OFFICERS AND THE OVERVIEW AND SCRUTINY PANEL, REGULATORY COMMITTEES AND STANDARDS COMMITTEE

- 7.1 Paragraphs 6.1, 6.2, 6.3 and 6.6 should also be read with reference to the Overview and Scrutiny Panel, Regulatory Committees and the Standards Committee.
- 7.2 In exercising its powers to call an officer to give evidence to it, the Overview and Scrutiny Panel may only call the Chief Executive or other members of the Corporate Management Team. These officers may be accompanied by another officer or, with the agreement of the Chairman of the panel/review team, may be represented by another officer.

8. OFFICER ADVICE TO PARTY GROUPS

- 8.1 Officers of all grades are politically impartial in relation to Council business. It is particularly important that party groups recognise this, especially when asking for officer input on any matter.
- 8.2 Where a political group believes its discussions would be helped by officer advice the Group Leader (or other nominated member) should advise the Chief Executive of the subject matter and request officer attendance at a set time and date of a future group meeting. The Chief Executive will arrange for the appropriate officer(s) to attend and advise the Group Leader accordingly.
- 8.3 Officer input in these circumstances will not extend beyond providing input and advice on matters of **Council** business. Officers must not be involved in advising on matters of party business. Officers should not, therefore, be present at party group meetings when matters of party business are to be discussed or when other than Fenland staff or Councillors are present.
- 8.4 Party group meetings cannot make decisions on the part of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and neither officers nor Members must interpret or act on them as such.
- 8.5 Information and advice given by officers to party group meetings is not a substitute for, nor does it preclude, the need for all necessary information and advice to be given to any other Member or any other Member body considering the issue in question.
- 8.6 Confidentiality must be maintained. Officers will not relay the content of any such group meeting to other groups, any other Member or any other external party, nor will group members purport decisions made at those meetings to be Council decisions or to have the backing or otherwise of officers.

9. CHAIRMEN'S/MEMBERS' BRIEFINGS

- 9.1 A Chairman who requires a briefing on the published agenda for a meeting should advise the relevant member(s) of Corporate Management Team or the committee officer of such requirement. The Corporate Management Team member(s) shall make appropriate arrangements for all relevant officers to meet and brief the Chairman. It is the Chairman's prerogative to invite any other Member (usually the Vice-Chairman) to be present at the briefing.

- 9.2 Full agenda briefings will not normally be available to other Members but individual Members, or groups of Members, may require information on a specific agenda item. In such cases Members should get in touch with the contact officer on the report or the committee officer who will make arrangements for a briefing by the appropriate officer.

10. **PUBLIC MEETINGS AND CONSULTATIONS**

- 10.1 Whenever the Council organises a public meeting to consider any issue, Group Leaders, relevant Portfolio Holders and the local Member(s) will be invited.
- 10.2 Similarly when the Council organises a public consultation exercise on any issues, Group Leaders, Members of relevant Panels/Committees and appropriate local Members will be informed.

11. **CORRESPONDENCE (including e-mail)**

- 11.1 Correspondence between an individual Member and an officer should not normally be copied by the officer to any other Member. If, in exceptional circumstances, it is necessary to do so this will be made clear to the original Member.
- 11.2 Official letters sent on behalf of the Council will normally bear the name of the officer concerned and not the Member.
- 11.3 Members are provided with their own letterheads but these are mainly for internal use or in replying to minor issues raised by their constituents.
- 11.4 Occasions where letters are justifiably from a Chairman or from a portfolio holder will be relatively rare and will normally be drafted by or in consultation with the relevant member of Corporate Management Team. Where a Member intends to write and send a letter in his/her/her official Fenland District Council capacity Corporate Management Team /Monitoring Officer will be available to advise on matters of fact and law. A copy of the final draft of the letter should be passed to the relevant officer for record purposes.

12. **MEDIA AND PR**

- 12.1 The Council has a protocol on media releases that covers most situations likely to be encountered.
- 12.2 Officers will not, and must not, be asked to prepare or issue press releases on behalf of any individual Member or any party group.

13. **COMPLAINTS**

- 13.1 Complaints officers will notify local Members of the receipt of any formal complaint from a constituent or relating to a matter within their ward.¹⁰

14. **CEREMONIAL EVENTS**

- 14.1 The Chairman of the Council, or in his/her/absence the Vice-Chairman of the Council, and the Chief Executive will be the appropriate persons to lead Council events and to represent the Council by invitation at ceremonial events of other organisations.
- 14.2 Where an event is specifically associated with a Cabinet function the Leader of the Council, the appropriate portfolio holder and a member of Corporate Management Team should be invited as a minimum.
- 14.3 Appropriate Panel/Committee Chairmen, or where they are not available, Vice-Chairmen, together with relevant Corporate Management Team members should be invited to ceremonial events within the scope of their panel/committee.
- 14.4 Local Members should always be informed of, and where possible, invited to ceremonial events taking place related to their wards.
- 14.5 Any Member or officer taking part in a ceremonial event must not seek disproportionate personal publicity. A Member should not use the occasions for party political advantage bearing in mind that the Member is representing the Council as a whole.
- 14.6 For this purpose “ceremonial event” is an event where the Council is seeking to promote its public image outside of the normal operating environment. It includes opening ceremonies, VIP visits, formal presentation of awards both to and by the Council, new service initiatives, for example composting and similar activities. It does not include fact-finding visits or seminars etc. where only the Members directly involved with the particular service may, or may not, attend.

15. **CIVIL EMERGENCIES**

- 15.1 In an emergency, the community will look to the emergency services and the Council for help in coping with the consequences of the emergency, and to restore normality. In

¹⁰ Amendment approved 26 July 2012

doing so, this Council will essentially undertake its normal activities in abnormal circumstances.

15.2 The Chief Executive, or such other officer nominated by him/her, is responsible for the organisation and co-ordination of the Council's response.

15.3 The circumstances of any emergency may require action to be taken promptly and without delay. It is, therefore, recognised that:

- action may have to be taken by an officer acting on his/her initiative in the circumstances as understood at any given time, which may go beyond that formally authorised by the Council's scheme of delegation;
- expenditure may have to be incurred as a matter of urgency by the officer in charge;
- there may not always be time in dealing with a major emergency to sustain normal channels of communication and administration.

15.4 A major issue in an emergency, however, is the provision of information and the Council's Emergency Plans contain arrangements for dealing with the media and for providing information to enquirers.

15.5 The Chief Executive will ensure that the Cabinet and relevant local Members are kept informed of the action being taken by the Council and that queries from elected Members are answered.

15.6 Members should use available channels of communication to contact the Chief Executive or his nominated representative for information and should not approach operational officers at the scene of the emergency, for example in rest centres, without prior contact with the officer in charge.

16. **NON-ADHERENCE TO THE PROTOCOL**

16.1 Breaches of this protocol by officers should be dealt with under the Council's officer disciplinary procedures.

16.2 Breaches by Members may be referred to the relevant Group Leader or "whip" for the party group to take any action felt to be appropriate. More serious breaches, or breaches by non-party group Members, should be reported to the Chief Executive and

the Monitoring Officer and may be reported to the Council's Conduct Committee.¹¹

17. ADVICE

- 17.1 Queries from both Members and officers can be referred to the Chief Executive, the Monitoring Officer or the Leader of the Council for advice on the application of this Protocol.
