OVERVIEW & SCRUTINY PANEL ANNUAL REPORT 2023/24

1 CHAIRMAN'S FOREWORD

In the delivery of my role as Chair of the Overview and Scrutiny Committee, I am pleased to be able to present to you the Annual Report for 2023/24 and a forward look to 2024/25.

Over the last municipal year and following the commencement of my term as Chairperson, the Committee has welcomed several new members who have brought fresh ideas and enthusiasm to the knowledge and expertise of existing members.

Working together, the newly comprised Overview and Scrutiny Committee has sought to diligently fulfil its important role in overseeing the performance and delivery of services. We have had a busy and varied year receiving and scrutinising information from Cabinet and officer colleagues, partners and outside bodies. We have benefitted from detailed presentations complimented by pertinent Q&A sessions as well as 2 informative training sessions in relation to the functions of O&S and scrutiny of the budget.

Looking ahead to 2024/25, the future work programme will be published with the Agenda for each meeting and will continue to focus on issues that are of paramount importance to local residents and businesses. This will include the return of some long-standing annual items such as the budget, business plan and a review of core services but there will also be opportunities to consider matters of emerging importance as the year progresses.

I would like to take this opportunity to thank everyone who has played a part in contributing towards the work of the Committee this year with special thanks to our outgoing Vice Chairman, Councillor Roy Gerstner. I am looking forward to another year in my role as Chairperson. I remain confident that the Committee can maintain the high standards expected of it and that it will continue to work with colleagues and partners to try and make a positive difference to the people of Fenland. As part of this we will be considering and implementing Department of Levelling UP Housing and Community's updated statutory Guidance published on 22nd May 2024.

3 INTRODUCTION

What is Overview and Scrutiny?

- 3.1 The Local Government Act 2000 requires Councils to have a committee with the power to review or scrutinise decisions or actions affecting the authority's area or residents. Scrutiny is an essential part of ensuring that local government remains effective and accountable. Scrutiny ensures that executives are held accountable for their decisions, that their decision-making process is clear and accessible to the public and that there are opportunities for the public and their representatives to influence and improve Council policies.
- 3.2 The power to scrutinise was further expanded by the Police and Justice Act 2006, which provided powers to scrutinise the work of Crime and Disorder Reduction Partnerships, known locally as the Safer Fenland Partnership.
- 3.3 The Local Government and Public Involvement in Health Act 2007 provides more powers to local government to scrutinise other partner organisations. It also brings in other provisions that affect how scrutiny committees work, including powers over the creation of joint committees.
- 3.4 The Localism Act 2011 consolidated the wide range of scrutiny legislation into a single place, largely unamended from previous legislation. This aims to

increase local accountability and transparency of public services as well as enhancing the involvement of local service users.

3.5 DLUHC issue guidance on the function of Overview and Scrutiny with the latest update having been published on 22nd May 2024.

3.6 All Overview and Scrutiny meetings are held in public session and attendance and involvement of the public is actively encouraged either via questions or suggestions for our work programme.

Main responsibilities of Overview and Scrutiny

3.7 The role of Overview and Scrutiny has five broad functions:

- Holding the Council's Executive and its statutory partners to account in the public interest. This enables more transparent and effective decision making.
- Supporting the development of effective policies and initiatives which have a beneficial impact on the community through policy overview and development.
- Contributing to continuous improvement in the delivery of the Council's corporate priorities.
- Having a positive impact on the work and outcomes of external agencies and providers of public services.
- Aiding Councillors in engaging with their communities and undertaking the role of community representatives and leaders.

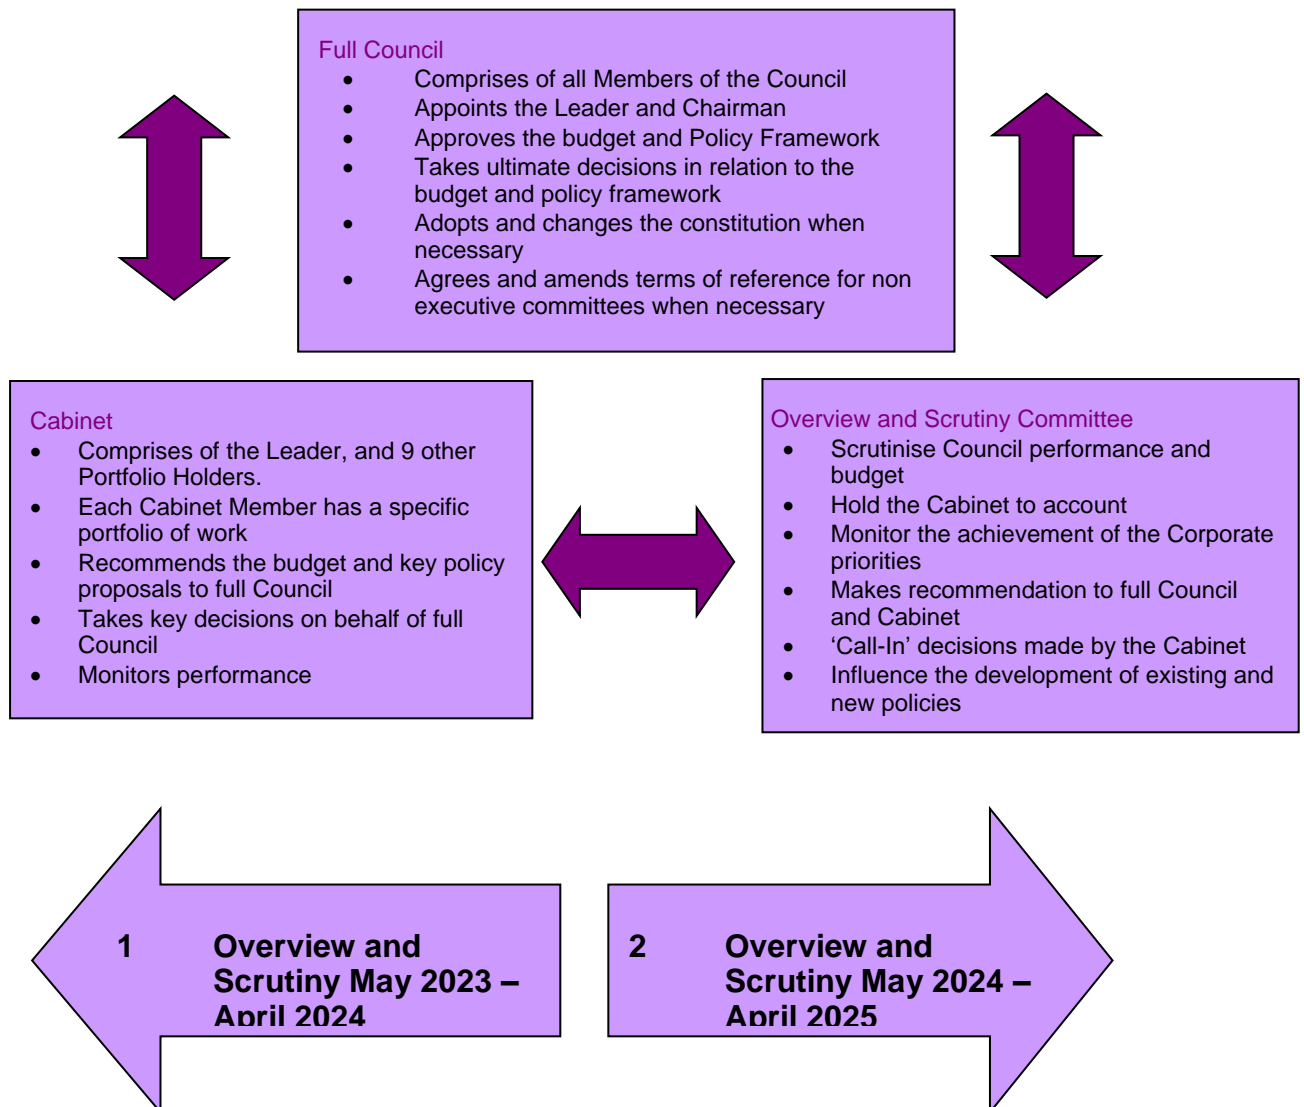

Overview	Scrutiny
Advising on the development of policies.	Ensuring that the Council's policies have been effectively implemented by the Cabinet.
Recommending how the Council's corporate priorities can be delivered.	Helping to monitor and drive improvements within the Council's corporate priorities.
Bringing a wider perspective to problem solving.	Holding decision makers to account
Examining broader issues affecting local communities.	Ensuring all service providers within a local community are providing 'value for money'

Appointing Members onto Overview and Scrutiny

3.8 On an annual basis and with input from the group leaders, it is the responsibility of full Council to appoint an Overview and Scrutiny Panel at their annual meeting which usually takes place in May. The Overview and Scrutiny Panel

consists of thirteen members drawn from the political groups in the same proportion as they are represented on the Council as a whole. There are also 6 substitutes also allocated on a politically proportionate basis.

Relationship between Overview and Scrutiny, Cabinet and Full Council

4 A BACKWARD LOOK TO 2023 - 2024

What the Overview and Scrutiny Panel achieved in 2023/2024

External advisors/partners

- 4.1 The panel looked at an array of different topic areas; most could be dealt with by drawing on the knowledge and expertise of Fenland District Council Councillors and Officers. However, sometimes there is a need to call in external advisors to help the panel with their knowledge and to provide a different vantage point.
- 4.2 Fenland's Overview and Scrutiny Panel continues its commitment to collaborating with partner organisations. The table below highlights the external partners the Overview and Scrutiny Panel have already engaged with, when undertaking the scrutiny function during 2023/24.

Agenda item	External Advisor/Partner	Organisation
Review of Delivery of Revenues and Benefits Service	Matthew Waite-Wright Lorraine King	Anglian Revenues Partnership
Review of Delivery of Leisure Services	Matt Wickham, Paul Doyle Simon Pesic-Smith	Freedom Leisure
Review of Community Safety Partnership Priorities	Inspector Andy Morris	Cambridgeshire Police

Review of Social Housing Provision	Sally Greetham Dan Read Yvonne Ogden Paul Norman Kirsten Wildman Danny Thorpe Carl Grimmer	Clarion
Review of Care Partnership Provision	John Rooke	North Cambridgeshire Care Partnership

- 4.3 As well as working with individual partners, the panel have also scrutinised other elements of partnership working through each of the respective corporate priority areas. The panel will continue with this successful approach during 2024/25.

How the work of Overview and Scrutiny is linked to the Council's corporate priorities

- 4.4 Fenland District Council's Business Plan is the vision for the future of Fenland, clearly setting out a series of priorities that will be the focus of the organisation for the next twelve-month period. To ensure these priorities are correct, deliver on targets and achieve outcomes, the Overview and Scrutiny work programme

reflects the Council's priorities to ensure robust scrutiny in meaningful priority areas is achieved.

4.5 The table below illustrates how agenda items link in with Fenland's priorities:

5 Specific reviews undertaken in 2023- 2024

- 5.1 A cross-party Task and Finish Group was formed in 2022/23 to review the Council's Corporate Performance Indicators to ensure that they continued to enhance the Council's corporate priorities in a measurable and achievable way.
- 5.2 The work of the Task and Finish Group continued into 2023-2024 with Councillors Woolard, Foice-Beard and Gerstner being appointed to replace those councillors who were no longer members of the Overview and Scrutiny

Panel. Councillors Booth and Hay remained with the Group and were able to assist in ensuring continuity across the lifespan of the project.

- 5.3 The Task and Finish Group reported its suggestions to the Overview and Scrutiny Panel at its meeting on 28th November 2023 and these were considered by Cabinet and incorporated into the Business Plan for 2024/25. The work of the Group has therefore now concluded.

6 Overview and Scrutiny Call – In

- 6.1 The Overview and Scrutiny Panel have the opportunity to scrutinise Executive decisions that have been made, but not implemented through the ‘call-in’ mechanism.

- 6.2 In accordance with the Council’s constitution, decisions of the Executive or a Portfolio Holder decision are published within 3 working days. There is then a further 5 working day period prior to the implementation of the decision in which Members are able to call in the decision. If the necessary number of Members, either the Chairman or Vice Chairman of any panel, or any 3 members of the Overview and Scrutiny Panel or any 10 Members of the Council, ask for a decision to be called in for scrutiny, the Overview and Scrutiny Panel has to meet within 15 working days to consider the issue. Whilst this process takes its course, the decision taking process is suspended. If no call-in occurs, the decision is adopted.

- 6.3 If, having considered the decision, the Panel remains concerned about it, then it may refer it back to the decision-making person or body for reconsideration, setting out in writing the nature of its concerns or, in exceptional circumstances, refer the matter to full Council. If referred back, the decision maker shall then reconsider the matter within a further 10 working days and amend the decision or not, before adopting a final decision. If however the Panel decides not to refer the matter back, no further action is taken and the decision can take effect.

- 6.4 The call-in procedure does not apply where the decision being made by the Executive is deemed to be urgent i.e. where any delay likely to be caused by the call-in process would seriously prejudice the Council’s or the public’s interests. This should be clearly stated in the record of the decision. The Chairman of the Overview and Scrutiny Panel or in his/her absence the Chairman of the Council must agree that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. Decisions taken as a matter of urgency must be reported to the next available meeting of the Overview and Scrutiny Panel together with the reasons for the urgency.

- 6.5 Because of the nature of the call-in procedure, it is generally recognised as a mechanism of last resort. Indeed Government guidance states that it would

clearly be detrimental to efficient decision making if every individual decision of the Executive were called in for overview and scrutiny as a matter of course.

The call-in procedure is therefore utilised when other means of influencing decision making have failed. Fenland District Council did not utilise the call-in procedure at all during 2023/24. There were 5 occasions during 2023/24 when the Chairman exercised her power to waive the need for call-in during on grounds of urgency; Acceptance of the Planning Skills Delivery Fund, Acceptance of Defra Food Waste Capital Funding, Procurement of Polling Station Software, Healthy Homes Project and property purchase.

7 A FORWARD LOOK TO 2024/2025

Fenland's Priorities

7.2 In Fenland's Business Plan 2024/25 the Council's corporate priorities remain:

- Communities
- Economy
- Environment
- Quality Organisation

7.3 It is important that the work of Overview and Scrutiny complements these priorities to ensure services are being delivered to highest quality and any scrutiny work adds value. In addition the current Business Plan outlines the fact that Cabinet members have selected a number of projects to contribute towards the 'Council for the Future' agenda. These projects have a variety of aims; from tackling areas of particular need within the district, to transforming services and the wider organisation sustainably to be fit for the future. The Overview and Scrutiny work programme will also be informed by the Council for the Future agenda.

What the Overview and Scrutiny Panel will achieve in 2024/25

Strategic Priorities

7.4 The Overview and Scrutiny Panel will continue to articulate recommendations associated with the work plan and monitor how effectively the recommendations have been received and endorsed by the associated decision-making bodies.

Work Programme

7.5 The Overview and Scrutiny work programme is a detailed programme that indicates the topics that the Overview and Scrutiny Panel will scrutinise. The work programme is developed on a rolling basis and has been updated and

revised for the forthcoming municipal year. Topics already identified for inclusion include a review of the Council's Corporate Priorities including Communities, Economy and Planning and Environment as well as Q&A sessions with partner organisations such as the Road Safety Partnership, Clarion Housing, Anglian Water and the Arts Council. This will also sit alongside regular items such as scrutiny of the Budget and Business Plan and the Council's management of complaints.
